

TOPICAL SERMON: DOGS ARE NOT PEOPLE

[2] The title of the sermon: "DOGS ARE NOT PEOPLE."

Why Do I Need To Preach A Sermon Like This???

- Before we start, I will guarantee that you've never heard a sermon like this in church.
- And it's sad that I need to preach a sermon like this in this country.
- People in this world are losing their minds. Some have already lost their mind.
- Some people believe dogs are more important than people.
- This sermon today is going to teach you the importance of dogs.
- And yes, I understand probably 80% of the people in this country will be offended.

Especially women will be offended for some reason. Women choose dogs over their own babies.

- They are offensive to me. I don't care if they are offended at this sermon. That's their problem.
- They have big issues. Dogs are more important to them than God.
- The people who choose a dog over a human are the ones who have the problem.

The people who act as if dogs are humans are the ones who have the issues. It's not me.

- These people are offending God, and I'm going to show you why today with the Scriptures.
- This country is filled with idiot dog lovers who take it above and beyond insane.
- Before we get into the Scriptures, I want to show you the definitions for the word dog.
- I'm just going to mention the parts of the definitions here that are helpful for this sermon.

[3]

Webster's 1828 Dictionary
dog

DOG, n.

1. A species of quadrupeds, belonging to the genus *Canis*, of many varieties, as the mastiff, the hound, the spaniel, the shepherds dog, the terrier, the harrier, the bloodhound, &c.
 2. It is used for male, when applied to several other animals; as a dog-fox; a dog-otter; dog-ape. It is prefixed to other words, denoting what is mean, degenerate or worthless; as dog-rose.
 3. An andiron, so named from the figure of a dogs head on the top.
 4. A term of reproach or contempt given to a man.
 5. A constellation called Sirius or Canicula. See [Dog-day](#).
 6. An iron hook or bar with a sharp fang, used by seamen.
 7. An iron used by sawyers to fasten a log of timber in a saw-pit.
 8. A gay young man; a buck. *Not in use.*
- To give or throw to the dogs, is to throw away, as useless.
- To go to the dogs, is to be ruined.

- Now, the word "DOG" is used to denote something that is degenerate or worthless.
- A dog doesn't do anything on its own that is worth something. NOTHING.

- Let's say you need a dog to clean the house when you've left to go to work for the day.
- You tell the dog that the house needs to be cleaned. The dog isn't going to do it.
- The dog will instead lay there all day. Or run around all day. Or chew things up that you paid for.
- In other words, without a human telling them everything to do, they are useless or worthless.

And before you get angry, I didn't write the definition. Dogs are worthless.

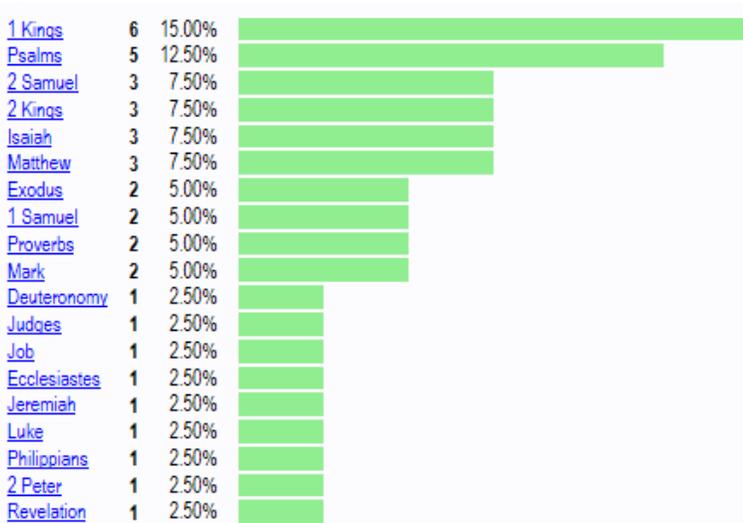

- The word dog is a term of reproach or contempt given to a man. If you, "You're a dog."
- This means you're calling someone worthless. It's not a good thing.
- The word "DOG" is also used to describe sodomites or gays or homosexuals.
- That should tell you what God thinks of dogs. To go to the dogs is to be ruined.
- That's what the dictionary says. Now let's see what God says.
- When we look up the words dog, dogs, and dog's (with an apostrophe s) in the Bible, we find 43 matches in 40 verses.

[4]

Word/Phrase	Match Count
dogs	24
dog	15
dog's	4

- We see the word dogs has 24 matches. Dog has 15 matches. And dog's has 4 matches as you see there.
- Let's see which books of the Bible have the most verses about dogs.

[5]

- We see that the book of 1 Kings has the most matches with 6 followed by Psalms with 5 matches.
- Let's start with some of the verses in 1 Kings.

[6] 1 Kings 14:10-11 Therefore, behold, I will bring evil upon the house of Jeroboam, and will cut off from Jeroboam him that pisseth against the wall, and him that is shut up and left in Israel, and will take away the remnant of the house of Jeroboam, as a man taketh away dung, till it be all gone. 11 Him that dieth of

Jeroboam in the city shall the dogs eat; and him that dieth in the field shall the fowls of the air eat: for the LORD hath spoken it.

- Let's get this straight before we go any further. God created dogs so the dog is not a bad creation.
- I'm not saying dogs are bad. They have a purpose.
- What is happening with dogs in this country is not the fault of the dog.
- The Scripture right there says: "Him that dieth of Jeroboam in the city shall the dogs eat."

Dogs Will Eat People

What does this teach you about dogs? They will eat people. Dogs want to run in packs.

- When they run in packs, they are different animals.
- In Russia in 2017, a drunkard was attacked and killed by a pack of stray dogs. There's video of it.
- He was a security guard who regularly fed the stray dogs for 2 years before they ate him.
- He continued to feed the dogs as they ate him but not as he thought. He was their food.
- He wanted to go past them this time, but they wanted food from him.
- The 12 dogs circled him as he staggered around. One dog attacked him and the others joined in.
- This has happened many times in the past 5 years. You can find the news stories yourself.
- You can find recent stories in Texas, Alabama, Tennessee.

One news headline says: "Man eaten by his own pet dogs." The man was supposedly missing for months.

- He had 18 mixed breed dogs. They never thought the dogs would have completely eaten him.
- They devoured him, his body, his clothing, and his hair. Only bone fragments 2 to 5 inches were found.
- The family couldn't even enter the property and sheriff deputies had to distract the dogs to enter.
- 2 of the dogs were killed by the other dogs as well. The dogs were well fed and cared for too.
- The people who knew this man said: "This man loved his animals."
- Did they love him back? No, they didn't. Dogs don't love you. Do you understand that?
- You think they do, but they are just going off instinct. They don't love you and adore you as you think.
- The Bible tells us right there that dogs will eat people. "FOR THE LORD HATH SPOKEN IT."
- And I think God knows since He created dogs. And the evidence from this world proves it too.

Another news headline says: "Abandoned for two weeks, starving dogs eat owner."

- Seven dogs starved of food and water for 2 weeks are suspected of eating their owner after he returned to his hometown from a holiday.
- "His skull was found in the kitchen, and his body was found in the front of his house."
- The police also found bones of 2 other dogs who were also eaten by the other dogs.

Another news headline says: "Pack of dogs bite Dallas woman more than 100 times."

- Dallas had a problem with wild dogs attacking and trying to eat people. This happened in 2016.
- The woman's mother said and I quote: "They ate her like they was eating a steak." Quote finished.
- Just a few days ago, December 14, 2021 to be exact, a news headline reads:
- "Man killed by a pack of dogs on northern Cheyenne reservation."
- The Bureau of Indian Affairs responded to a call reporting a man was being attacked by dogs.
- This doesn't take long. The dogs kill fast and eat fast. And then they leave.
- Investigators found the man dead on the road but no dogs were there at the time.

A 14-year old was killed by a pack of dogs at a man's home.

- He was taking care of them for the man while he was out of town. 11 dogs killed the boy.
- There are about 40 deaths from dog attacks in the United States in 2021 according to the Internet.
- I would guess that's an underestimate. But, as you can see, dogs are not man's best friend.
- They eat people because they are hungry. When they get in packs, they are worse.
- The Bible says they will eat people. Does that make them man's best friend? NO, IT DOESN'T.

[7] 1 Kings 16:3-4 Behold, I will take away the posterity of Baasha, and the posterity of his house; and will make thy house like the house of Jeroboam the son of Nebat. 4 Him that dieth of Baasha in the city shall the dogs eat; and him that dieth of his in the fields shall the fowls of the air eat.

- Again, this is something that dogs do.

[8] 1 Kings 21:17-19 And the word of the LORD came to Elijah the Tishbite, saying, 18 Arise, go down to meet Ahab king of Israel, which is in Samaria: behold, he is in the vineyard of Naboth, whither he is gone down to possess it. 19 And thou shalt speak unto him, saying, Thus saith the LORD, Hast thou killed, and also taken possession? And thou shalt speak unto him, saying, Thus saith the LORD, In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine.

- Dogs lick blood. Nasty.

[9] 1 Kings 21:20-21 And Ahab said to Elijah, Hast thou found me, O mine enemy? And he answered, I have found thee: because thou hast sold thyself to work evil in the sight of the LORD. 21 Behold, I will bring evil upon thee, and will take away thy posterity, and will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel,

[10] 1 Kings 21:22-24 And will make thine house like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah, for the provocation wherewith thou hast provoked me to anger, and made Israel to sin. 23 And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel. 24 Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat.

- God has a purpose for dogs and part of that purpose is to lick blood and eat people.
- "Him that dieth of Jeroboam in the city shall the dogs eat."
- "Him that dieth of Baasha in the city shall the dogs eat."
- "In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine."
- "The dogs shall eat Jezebel by the wall of Jezreel."
- "Him that dieth of Ahab in the city the dogs shall eat." THUS SAITH THE LORD.

[11] 1 Kings 22:37-38 So the king died, and was brought to Samaria; and they buried the king in Samaria. 38 And one washed the chariot in the pool of Samaria; and the dogs licked up his blood; and they washed his armour; according unto the word of the LORD which he spake.

[12] 2 Kings 9:8-10 For the whole house of Ahab shall perish: and I will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel: 9 And I will make the house of Ahab like the house of

Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah: 10 And the dogs shall eat Jezebel in the portion of Jezreel, and there shall be none to bury her. And he opened the door, and fled.

- We see the same things about DOGS again and again.

[13] 2 Kings 9:34-35 And when he was come in, he did eat and drink, and said, Go, see now this cursed woman, and bury her: for she is a king's daughter. 35 And they went to bury her: but they found no more of her than the skull, and the feet, and the palms of her hands.

[14] 2 Kings 9:36-37 Wherefore they came again, and told him. And he said, This is the word of the LORD, which he spake by his servant Elijah the Tishbite, saying, In the portion of Jezreel shall dogs eat the flesh of Jezebel: 37 And the carcase of Jezebel shall be as dung upon the face of the field in the portion of Jezreel; so that they shall not say, This is Jezebel.

- We see one of the true purposes of dogs in the Bible. They were to eat these evil and wicked people.
- They were to clean up the area. They licked up the blood and ate the people. They got rid of their bodies.
- We see birds mentioned in the Bible with this same purpose. They eat flesh and clean it up.
- And then they digest and put it out as dung upon the face of the field. All of this is in the Bible.
- You might think this sermon is nasty, but you need to wake up.

Dogs Eat Blood And Love It

[15] Psalm 68:22-23 The Lord said, I will bring again from Bashan, I will bring my people again from the depths of the sea: 23 That thy foot may be dipped in the blood of thine enemies, and the tongue of thy dogs in the same.

- The tongue of the dogs shall be dipped in the blood of they enemies.

[16] Proverbs 26:11 As a dog returneth to his vomit, so a fool returneth to his folly.

- Dogs are not so clean as people make them out to be in this country today.
- A dog will vomit and then return to that vomit and eat it all up. That's nasty.
- This is why they are called dogs. They will eat anything. Yes, your so-called precious dog will eat you.
- Your dog will then vomit you up and eat you again.
- If your dog is starving, and you are laying on the floor, your "loving" dog will eat you.

A dog is not clean. If you let your dog outside, that dog will go do nasty things and come back inside with you.

- The dog will be dirty. The dog may have eaten a snake or a rat or a possum.
- And you let the dog lick you in the face.
- Fools say things like this: "A dog's mouth is cleaner than a human's mouth."
- If you think that, you're an idiot. Yes, I may have just offended you but you need to wake up to truth.
- I've seen what dogs do on farms. Maybe you haven't. A cow uses the bathroom and the dog eats it.
- Dogs are nasty. Their mouths are nasty. They lick you in the face. You're nasty. That's how it works.

Do you really think a dog's mouth is cleaner than a human's mouth? Dogs lick their own butts.

- And yes, I said that in church because it's the truth. And yes, it's nasty.
- The bad part, though, is then people allow these nasty dogs to lick their face.
- "Oh, give some kisses. Give some kisses. I know you love me so much."
- Hey, if your dog loved you so much, they wouldn't lick their butt and then lick your face. Understand?

You send the dog out to relieve themselves or use the bathroom. The dog doesn't use toilet paper.

- Sometimes there's a lot of that left on the dog's butt. And then you bring them inside your home.
- And then the dog jumps on your couch and rubs his or her butt all over your couch.
- Hey, I don't want to sit there. Do you? Are you really okay with that?
- The dog's hair sheds all over the place. The dog's hair is found in the food you are cooking. I'll pass.
- This is not clean. It's nasty. Some people let their dog clean up their plates.

The plates come out of the dishwasher clean. The dog licks the plates and people put them away.

- "Oh, it's okay. A dog's mouth is cleaner than a human's mouth. It's okay." That's what they say.
- Hey, look, it's not okay. They lick blood. They eat flesh. They don't clean their mouth. It's nasty.
- I don't want to eat from plates that a dog has licked. NASTY. This is not clean.
- Some dogs go outside, vomit, eat their own vomit, and come back inside and lick the plates.

Is this really what you want? This is what people are doing. It's sick and nasty.

- There is no other way around it. And dogs sleep with people.
- The dogs butt is up on the person's pillow. It's nasty. I don't want a dog's butt on my pillow.
- I don't want a dog's butt in my bed. It's not clean. I don't want its nasty mouth in my bed. It's not clean.
- My wife and I sleep in our bed. That's our bed. A dog doesn't belong there.
- An animal doesn't belong there. Do you like inhaling dog hair, dirt, dead dog skin or dander?

Do you like breathing in parasites from their hair? Think of all the things that are caught in their hair.

- Do you like them to bring ticks inside with them? Urine stays in their dog hair.
- Do you like that in your bed? "Oh, I love dog urine in my bed. It smells so great. It's so clean."

[17] Psalm 51:7 Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow.

- You can get sicknesses from dogs. They spread disease.
- People seem to be very worried about that in today's world.
- But not when it comes to their "precious" dogs.

[18] Ezekiel 36:25 Then will I sprinkle clean water upon you, and ye shall be clean: from all your filthiness, and from all your idols, will I cleanse you.

- Dogs are idols to people in today's world. They are. People worship their dogs. They are not clean.
- Do you really believe that your dog is clean? "I keep him groomed miraculously. My dog is so clean."
- Yes, that's right. You spend more money on keeping your dog clean so he or she can be inside than you would spend on helping a human in this world.
- You spend more on your dog than you would give back to God. Do you really think your dog is clean?

Is that what you're thinking? Here's a quote for you from a dog groomers website:

- "When pet hair and dander is inhaled, the tiny hairs and other harmful particles can travel down into the lung and stay there. In time this can inflame the lung lining and scar the airways, which can then progress into a chronic lung condition."
- Germs from dogs can cause a variety of illnesses from minor skin infections to serious illnesses.
- We weren't meant to live with dogs inside the same house. DUH. Are you serious??? A dog is not clean.
- A dog is not a person. DOGS ARE NOT PEOPLE. Dogs belong outside with all the other animals.

Do Dogs Really Belong Inside??? Was God Wrong???

I read trash from women all the time saying things like this: "Dogs belong inside where it's warm."

- Idiotic veterinarians say the same trash over and over like idiotic parrots. They are just like animals.
- "You need to bring your dog inside. Dogs deserve a nice place to live." Yes, they do.
- God gave them a nice place to live and it's called OUTSIDE. That's where they belong.
- For all you idiotic dog lovers out there who say that dogs need to be inside.
- Are dogs at a higher level than horses? What about all the "POOR HORSES" out there?
- "They stand outside in the freezing rain. What are we going to do? Just imagine how they're feeling."
- "They're freezing out there. Will you take them inside your home? Please, don't let them freeze."

What about the lions? "It's so hot out in the jungle. They need air conditioning. They'll have a heat stroke."

- "What are we going to do? This is animal cruelty. God, you are so cruel to put those animals outside."
- That's what all these idiots are saying out there who have completely lost their minds.
- The cattle stay outside in the winter. It rains. It snows. It freezes. It thaws. It's muddy.
- Will you bring them inside your home? Wait until they use the bathroom in your home. They'll flood it.
- What about giraffes? Do we need to build all the animals a home and install an HVAC system?
- They should be as comfortable as us humans, right? Is that what you think?
- How are the cute little mice making it out there right now? The rabbits? The cute little baby rabbits?
- How do they continue to multiply and survive all of this weather? DUH. God made them to be outside.

But you and your so called "love for animals" and "compassions for animals" is not what you say it is.

- It's actually LUNACY. You are a lunatic when you start talking like that.
- "Dogs deserve warmth and comfort." You are a lunatic. They are animals, and they stay OUTSIDE.
- That's the HOME that God gave them, and you don't like it because you don't like God. You hate God.
- You hate His design, and you think you know better than God. Will you bring all the little ants inside?
- Why not? They are small. They will fit. They don't eat much. They don't use the bathroom that much.
- Bring them inside, LOONS. Don't act like you're so caring if you won't bring the ants inside too.
- What about the mosquitoes? They need a good and warm home too. The coyotes? The snakes?
- The birds. Have you seen those cute little birds? They are freezing out there. It's cold. Bring them inside.

This is what people say about their dogs. Here's some things I found:

- "As a proud pet parent, I am passionate about all things relating to my fur baby and living the fur mama lifestyle."
- "Please see my line of products celebrating our furry friends including custom pet and owner coordinating merchandise. We have matching clothing for you and your dog."
- "Please read about my fur baby love story." LUN-A-TIC.

"I am thankful for the unconditional love that I receive from both my pets. They are the first ones to send me off in the morning and the first ones to greet me when I return home. I am so lucky to spending every day with both of my best friends."

- Let me tell you something. If your best friends are a dog and a rabbit, you have a problem.
- Have you ever thought about maybe trying to seek Jesus Christ? Why don't you try seeking God first?
- Why don't you try having a best friend who is God versus a dog and a rabbit?

"I am thankful for my two rescues that bring me joy, companionship and make me feel like the most special dog mom. They take care of me and my family and they are integral family members as well. I am thankful they have come into my life when they did because I don't know where I would be without them. They are always there with so much excitement and love even after I come home exhausted from a long day. They find a way to make me smile. They each have their own personalities and they balance each other out in the best ways. These two always keep me on my toes and challenge me but their cute faces and expressions make it all better. My family and I are thankful for these two special puppies that chose us to be their parents."

- Okay, so let's think about that for a second. Your two dogs take care of your family??? Really???
- If that was the truth, all of you would be dead. Dogs don't take care of you. God does. Dog's don't.
- Dogs are not God. They are dogs. Dogs are not integral family members. They are not human.
- DOGS ARE NOT PEOPLE. The two dogs you have didn't choose you to be their parents.
- They are only there with you because you trapped them and feed them.
- Let them outside without a fence or containment, and they will run away. They don't love you.
- They just want to do what they want to do.

If you don't think that's true, then why are you installing chips into your dogs in case they run away?

- You do that because they will run away. They could care less about you. They don't love you.
- They are just happy to see you because you give them food.
- If they were really hungry, you would be their food. What I'm telling you is the actual truth.
- And you know it, and you'll still get angry at me. But I really don't care. I'll tell you the truth anyway.

"Ebony is my sweet girl. What I am grateful about ebony is the fact that she always protects me. All she wants to do is play and she reminds me to love the little things. What I am grateful about Toby is that he keeps me happy and reminds me to be myself. He loves me for who I am and is always happy to see me when I come home from work. I cannot imagine my life without him."

- Listen, people are replacing humans with their dogs, and it's only getting worse.
- Again, if your dog reminds you to be yourself, you are a lunatic. Understand that.
- Your dog does not love you for who you are. He loves the food. He doesn't love you.
- Let him out and see if he runs away. Will he look back with tears in his eyes. No, because he doesn't care.
- He's not a human. He's not a person. HE IS A DOG. HE IS AN ANIMAL. This is sad that I have to say this.
- If you can't imagine your life without a dog, you're going to have HUGE issues in just a few years.
- What you need is Jesus Christ. And then you'll see how much of a lunatic you actually were.
- And allow me to read just one more.

"I currently do not have a pet but I am surrounded by them. My friends and family and I live with my brother's cat Spunky who is fiercely independent which is a far cry from the Company CFO Mr. Mau. Since my cat died over

three years ago being around other pets even if they aren't mind is a real comfort. I am thankful for them allowing me in their presence. I will see my cousin this weekend and she has a Sphynx cat who will lay with me and snuggle as well as a friend of mine and her Shih Tzu Toby who I went and visited last week."

- These are not children who are saying these things. These are adults.
- And they are all women. Her friends and family live WITH her brother's cat.
- The cat doesn't live with them. They live with the cat. This woman thinks the cat owns the place.
- She goes to see the pets of her so-called friends versus the actual humans.
- The pets allow her to snuggle with them and to lay with them. That's why she visits her "friends."

Dog Lunatics Are Everywhere Around Us

Look, and this isn't even close to the worst. This is what is happening in this country.

- People idolize and worship DOGS. They will give to dog charities over baby charities.
- They will choose to save a dog's life over a human's life. This is sick, evil, wicked, and corrupt.
- Does God choose a dog over you? Did Jesus Christ die so call dogs could go to heaven? No, He didn't.
- He chose to save one person and allowed all the swine to die that day. Let me read you this.

[19] Mark 5:9-11 *And he asked him, What is thy name? And he answered, saying, My name is Legion: for we are many. 10 And he besought him much that he would not send them away out of the country. 11 Now there was there nigh unto the mountains a great herd of swine feeding.*

[20] Mark 5:12-14 *And all the devils besought him, saying, Send us into the swine, that we may enter into them. 13 And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the swine: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea. 14 And they that fed the swine fled, and told it in the city, and in the country. And they went out to see what it was that was done.*

- Make sure you see this and understand this. "They were about two thousand."
- Jesus did this. He killed two thousand swine to help this one man. Did He not?
- Now, what would PETA say? What would these lunatic dog "lovers" say to Jesus Christ?
- They would call Him a horrible person. "Couldn't you have done something else so the pigs could live?"
- No, He didn't want to. He wanted you to have this example so you know animals aren't that important.

A human life is FAR MORE important to Jesus Christ than the life of an animal.

- It doesn't matter what you feel or what your emotions happen to be. Will you cry for the pigs?
- Stop living off your emotions and feelings. This is why women are so deceived as the looney dog "lovers."
- They live off emotions. We are not live off of our feelings and emotions. We live by the word of God.

[21] Mark 5:15-17 *And they come to Jesus, and see him that was possessed with the devil, and had the legion, sitting, and clothed, and in his right mind: and they were afraid. 16 And they that saw it told them how it befell to him that was possessed with the devil, and also concerning the swine. 17 And they began to pray him to depart out of their coasts.*

- Those people didn't like Jesus then and the dog loons wouldn't like Him now.

- These same dog loons eat chicken. They eat beef. They eat other animals.
- What about those animals? Why do they raise dogs to such a high level?
- People around here also raise their horses to a high level.
- They actually believe they are better than others because they have horses.
- They worship the creature more than the creator.

[22] Romans 1:22-24 *Professing themselves to be wise, they became fools, 23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. 24 Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:*

[23] Romans 1:25-26 *Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. 26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:*

- So, keep this in mind all of you dog lunatics out there. You have raised a dog above God.
- It's a stinking dog. Do you understand what you're doing? Dogs are dogs. They are dirty animals.
- I don't hate dogs, but I am not going to raise them to the level you want me to raise them to.
- They don't deserve to be raised to that level. You're acting like a reprobate or a person rejected by God.
- These reprobates in Romans Chapter 1 changed the glory of the corruptible God into an image.
- These images were made like unto a corruptible man, and to birds, and fourfooted beasts.
- Do you know what fits the definition of a fourfooted beast? That's right. A DOG.
- People worship dogs. And I'm not exaggerating at all. You all know it and have seen it yourselves.

God gave these people up in this example. I would be very careful in your dog worship.

- These people in Romans Chapter 1 "worshipped and served the creature more than the Creator."
- Do these dog loons ever even think about God? Probably not. But they sure think about their dogs.
- They will treat their dogs better than their children. They'll spend all their money on their dogs.
- They will dress their dogs up like a human.
- They don't realize how idiotic they look walking around the neighborhood with their dog dressed in pink.
- Little pink dress, little pink hair bow, little pink boots on. Sorry, but it's not cute at all.
- You're wasting money on a dog. Use it for something else like buying yourself a Bible and then read it.
- You could read a few books of the Bible in the time it took you to pick out the pink dog outfit.

Why does Jesus Christ care more about one human than He does 2,000 animals?

- Why do you think? Humans have souls that live forever if they would believe on Jesus Christ.
- Those swine that Jesus killed that day didn't go to heaven. They don't have souls that can be saved.
- Let me repeat this, and please dog loons, do not fall out of your chair or couch and smash your dog.
- Your dog isn't going to heaven. Yes, that's right. Your dog isn't going to heaven.
- Your dog will die, will rot, and will never be seen again.
- So, why do you put so much time and effort into dogs? Why do you love them so much?
- Have you ever attempted to love a human by following God's commandments?
- So-called "LOVE" for your dog is not loving at all. It's actually sick and nasty. Yes, that's right.

[24] Ecclesiastes 3:19-21 *For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as the one dieth, so dieth the other; yea, they have all one breath; so that a man hath no preeminence*

above a beast: for all is vanity. 20 All go unto one place; all are of the dust, and all turn to dust again. 21 Who knoweth the spirit of man that goeth upward, and the spirit of the beast that goeth downward to the earth?

- A man's flesh is flesh. My flesh will die and return to the ground. A dog's flesh is flesh.
- A dog's flesh will die and return to the ground. Our flesh will rot into the ground and turn into dirt.
- This is the same for both dog and man. A man is made of 3 things: soul, spirit, and flesh.
- A dog is made of 2 things: spirit and flesh. A dog doesn't have a soul that can live forever.
- A dog doesn't have a soul that can be sent to hell.

Dogs Don't Go To Heaven Or Hell

Those dogs that ate the man we talked about earlier aren't being sent to hell for the murder of that man.

- Those dogs can't be saved by the blood of Jesus Christ because Jesus didn't come to earth as a dog.
- - Jesus came to earth to be the sacrifice for humans so He could save humans.
- He didn't lift dogs up to some Godly level. He never does. He never elevates them at all.
- Why are you elevating dogs at all? Look at the Scriptures. Verse 21 of Ecclesiastes Chapter 3.

"The spirit of man goeth upward, and the spirit of the beast that goeth downward to the earth."

- Man has a spirit. Dogs have a spirit. SPIRIT IS LIFE. Man is alive. Dogs are alive. They have life.
- They have a spirit. When man's life is over, his spirit returns to God.
- When a dog's life is over, the dog's spirit returns to the earth. God doesn't care about them.
- He's not hoping they are saved as He hopes all humans will be saved by believing on His Son Jesus Christ.

[25] Ecclesiastes 12:7 Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

- The dog's spirit goes to the earth. It's done. It's over. THE END. There is nothing more for a dog.
- Again, God doesn't care enough for the dog to have its spirit return to Him.
- But a human is different and matters to God. Animals are important to God.
- We don't abuse them. We don't mistreat them. We treat them good, but they aren't gods.
- We take care of them as needed, but we don't raise them above the level that God put them at.

People have lost their dogs, cried for weeks, offered ridiculous rewards, and created Go Fund me pages.

- I will always remember Loki the lost dog. That dog was this woman's life.
- That dog was everything to her. She lost her dog and went off.
- Listen, if this is you, you need to find Jesus Christ. A dog is not that important.
- Let's see what else God thinks of dogs. He created them. He knows them better than you.

[26] Jeremiah 15:1-2 Then said the LORD unto me, Though Moses and Samuel stood before me, yet my mind could not be toward this people: cast them out of my sight, and let them go forth. 2 And it shall come to pass, if they say unto thee, Whither shall we go forth? then thou shalt tell them, Thus saith the LORD; Such as are for death, to death; and such as are for the sword, to the sword; and such as are for the famine, to the famine; and such as are for the captivity, to the captivity.

[27] Jeremiah 15:3-4 *And I will appoint over them four kinds, saith the LORD: the sword to slay, and the dogs to tear, and the fowls of the heaven, and the beasts of the earth, to devour and destroy. 4 And I will cause them to be removed into all kingdoms of the earth, because of Manasseh the son of Hezekiah king of Judah, for that which he did in Jerusalem.*

- What's the purpose of the dog right there in verse 3? "AND THE DOGS TO TEAR."
- The fowls and the beasts of the earth to devour and destroy. Dogs serve a purpose for God.
- And it's not to be your object of worship.
- If the first thing you do each morning is talk to your dog, then you have a big problem.
- If the first thing you do when you get home is love your dog, then you have a big problem.

You should see your children or spouse first and tell them how much you love them. NOT YOUR DOG.

- And people wonder why the divorce rates are so high. The dogs are more important than the humans.
- People will fight over the stupid dogs during the divorce. THEY WILL KILL EACH OTHER OVER A DOG.
- Divorce attorneys feed off the insanity.
- Quote: "Most people who love their pets wouldn't consider them a piece of property."
- "They consider them a member of the family."

"When a couple really thinks of their pets as members of the family, wouldn't it be better for the court to view them that way as well?"

- "What if family court judges didn't leave this important decision to be settled on like a piece of furniture, but instead, could ask the question, "What would be best for the animal?"
- Alaska has already passed a law that requires judges to ask what would be best for the animal.
- This country has seen cases of pet custody rise to ridiculous levels.
- The United States has seen a 27% increase in pet custody cases in the past 5 years.
- This was according to the New York Times. This country has lost its mind. People have lost their mind.
- Here's another quote about dog custody.

"If both you and your spouse could not bear to live without your pets, the first and most amicable solution would be to have shared custody. It may sound odd, but putting your terms on paper — such as the visiting schedule, decision-making, and sharing of expenses — will definitely make it easier for both of you."

- The internet will tell you that your dog will have separation anxiety because of a divorce.
- "You need to take your dog and get it anxiety medication."
- Listen, some women don't want to be around men any more. They don't want a husband.
- They are using dogs to replace men. This is sick and nasty, but it's happening.
- People choose dogs over humans. This is happening everywhere right now.
- I would take a guess and say that the United States is leading the way in the world.
- Isn't it great to be in a country where dogs are worshipped? NO, IT'S NOT.
- That's why I am preaching this sermon. I'm sick of it. Dog lunatics make me sick. I want to vomit.

[28] Deuteronomy 23:17-18 *There shall be no whore of the daughters of Israel, nor a sodomite of the sons of Israel. 18 Thou shalt not bring the hire of a whore, or the price of a dog, into the house of the LORD thy God for any vow: for even both these are abomination unto the LORD thy God.*

- Sodomites are compared to dogs because dogs are unclean. THEY ARE NOT CLEAN ANIMALS.

[29] Exodus 22:31 *And ye shall be holy men unto me: neither shall ye eat any flesh that is torn of beasts in the field; ye shall cast it to the dogs.*

- Again, dogs are not clean.

[30] Matthew 7:6 *Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you.*

- Don't treat dogs like they are something great. THEY AREN'T. God is great. Dogs aren't.
- They are dumb animals. The little ones think they are the size of an elephant.
- They don't even know their own size. They don't understand what you're saying to them.
- Many people believe their dog understands the conversation they have with them. MANY PEOPLE.
- You can't give the Gospel to a dog. Dogs are dumb. They don't understand.
- I am going to leave you with one last verse as we close this sermon. Remember, dogs are not people.
- STOP treating them like they are highly important. This is foolish and idiotic.

BEWARE OF DOGS!!!

[31] Philippians 3:2 *Beware of dogs, beware of evil workers, beware of the concision.*

- Dogs will tear you to pieces. That's one of their purposes. Look up the news stories.
- God says, "BEWARE OF DOGS!!!" Is that what the Bible says? Do you not think this is correct?
- This Scripture is talking about people who act like dogs and are looking to tear you apart.

But you should beware of dogs too. Do you know why? Look up the stories. These are all different stories.

- "Newborn baby killed by stray dog family took in and fed."
- "I'll never get to hear him say mama. Baby killed by family dog."
- "Sevier County mom devastated after dog kills baby."
- "One month old baby killed by family dog in Norwich."
- "An 8-day old baby boy was killed in a reported attack by a female pit bull at a home in Kenly, NC."
- "6-month old baby killed after being attacked by family dog."
- "10-month old baby killed in attack by family's 2 Rottweilers."
- "Family dog mauls newborn baby to death in front of horrified mother."
- Now, is that worth taking a chance? IS IT? NO!!! It's not worth the chance.
- Get the dogs out of your house. Your house will smell better and be much safer and cleaner too.

People who say things like this have lost it. "My dog doesn't bite." Yes it does. Dogs were created to bite.

- Your dog bites when it eats food. It takes a bite. It has teeth. It has jaws. IT BITES.
- You have no clue what your dog is thinking or what your dog will do. If you think you do, you're crazy.
- You don't control an ANIMAL. The animal goes by its instincts. You don't know when they're going to bite.
- I've heard people say, "My dog knows good people." Really? You're an idiot.

Let me say this again. DOGS DON'T BELONG INSIDE YOUR HOME. Dogs don't belong with babies.

- There's your warning. BEWARE OF DOGS. God says so right there, and He's right as always.

- Dogs will kill your babies and children. They might kill you. BEWARE.
- I had a dog, Lilly, that lived inside about 13 years ago. That was stupid of me.
- When we had our first child, Callie, the dog moved outside. Our babies are infinite times more important.
- We don't have fur babies. We have dogs. Dogs aren't family members. Dogs are dogs.
- Dogs aren't human. Dogs are dogs. It's time to give up the dog lunacy. GIVE IT UP. Wake up.

Stop trying to rescue all the dogs out there and do something worth something. Dogs aren't worth your time.

- Dogs are dogs. Jesus Christ would send 2,000 dogs over the cliff to save one person.
- So, why don't you follow His lead and actually spend your time on a person who is worth something?
- Why don't you learn the Bible, and work on getting everyone you can saved from death and hell.
- You can't save a dog. They are going to die and that's it.
- Stop your so-called "dog rescue" when all you're actually doing is trapping the dog inside with you.
- The dog doesn't like it inside with you. You only forced the dog in there with you.
- You aren't rescuing anything.

If this sermon offends you, then you need help. Seriously.

- Go find a human to talk with and stop talking to your dog. Get you a Bible.
- Be saved by Jesus Christ today, start reading your Bible, start praying to God, and get a new best friend.

Let's pray.
