

## TOPICAL SERMON: ABORTION IS CHILD SACRIFICE

**[2]** The title of the sermon: "ABORTION IS CHILD SACRIFICE."

- We can read about child sacrifice in the Bible, and most people don't believe it happens today.
- People will say, "Wow, the people did those horrible things in the past!!!"
- Yes, people would actually sacrifice their own children to false gods.
- And people don't think that happens today. They would be very wrong.
- What do you think abortion is doing? Abortion is child sacrifice.
- They sacrifice their child for their own happiness while others profit from this horrible act.

**[3]** *Leviticus 18:21 And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD.*

- Why would God need to make this law? People were doing these things all the way back then.
- They were sacrificing their children to false gods like Molech.
- They were killing their own children. What was the penalty for this? Make sure you hear this today.
- This was God's law given directly to the children of Israel through Moses.

**[4]** *Leviticus 20:1-2 And the LORD spake unto Moses, saying, 2 Again, thou shalt say to the children of Israel, Whosoever he be of the children of Israel, or of the strangers that sojourn in Israel, that giveth any of his seed unto Molech; he shall surely be put to death: the people of the land shall stone him with stones.*

- The person who sacrificed his children to Molech was to be put to death by stoning.
- But that's not all I want you to hear and see today.

**[5]** *Leviticus 20:3 And I will set my face against that man, and will cut him off from among his people; because he hath given of his seed unto Molech, to defile my sanctuary, and to profane my holy name.*

- God sets HIS FACE against that man or against that woman who sacrifices their own child.

**[6]** *Leviticus 20:4-5 And if the people of the land do any ways hide their eyes from the man, when he giveth of his seed unto Molech, and kill him not: 5 Then I will set my face against that man, and against his family, and will cut him off, and all that go a whoring after him, to commit whoredom with Molech, from among their people.*

- The physical children of Israel were warned by God here and not just the one who sacrificed their child.
- The others were not to hide their eyes like they didn't see it. "Oh, it doesn't bother me."
- "They can do what they want." That's what a lot of people think in this world today.
- "I CAN DO WHAT I WANT. IT'S MY BODY. I CAN SACRIFICE MY CHILD IF I WANT TO."

If the people ignored what was being done and did not kill that person, God would set His face against them too.

- This should tell you how serious God is about child sacrifice or abortion in today's world.
- A woman doesn't have a right to get pregnant and then kill the living child that is inside of them.

***[7] Deuteronomy 12:31 Thou shalt not do so unto the LORD thy God: for every abomination to the LORD, which he hateth, have they done unto their gods; for even their sons and their daughters they have burnt in the fire to their gods.***

- Abortion, again, is very similar to this because women are killing their own babies.
- GOD HATES THIS. He says so right here. And yes, these women doing these things have another god.
- Their god is the one who rules over their life. Sometimes they have many different gods.

What do you think is the most common reason for these abortions or child sacrifices?

- MONEY. They act as if the woman cannot afford to have the child.
- "Well, she won't be able to support that child so she should abort that child."
- "She should murder her own child because there just isn't enough money to care for that child."
- Or, they say that the child will ruin their life. They won't have a career and a social life.
- All that equates to self love and not Godly love.

***[8] 1 Timothy 6:10 For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.***

- So, why do you think I'm preaching this? I want men and women to see the truth.
- Abortion is child sacrifice and it all starts with the love of money.
- The love of money is the root of ALL EVIL. Money is so important that a mother would kill her own child.
- This is sickness. This is evil. But it's not just the mother who supposedly PROFITS from this.

You have to think deeper than this. Why do you think so many people are for abortion?

- I think most of the women are deceived by these truly evil fools who trick them into abortion.
- Why do you think they are tricking these women into killing their own children?
- MONEY. It's obvious. They are getting rich from the abortions and the child sacrifice. This is the truth.
- Is abortion evil? Of course it is evil. There is nothing good that comes from abortion.
- The root of all evil is the love of money. You can believe what God says or not.

These clowns will attempt to act like they are helping women and protecting women. Are they? How so?

- They aren't. They are a bunch of liars. They are hurting women. They are killing their children.
- Why are they doing it? MONEY. For example, parts of dead babies are sold by abortion facilities.
- They get rich by selling these baby parts for research and who knows what else.

Organ procurement companies purchase specific baby body parts from abortion clinics.

- If the body parts are intact, the price for the body parts are increased. They sell for more.
- So, the baby who is being killed can't be poisoned with chemicals.
- This would interfere with their "OH SO IMPORTANT" research. What does this mean?
- These abortion clinics will harvest the organs of these babies while they are alive.
- Why? So the baby parts won't be corrupted for their research.

People will claim that this research is important to save human lives. But they murder babies.

- Babies are humans, and they are alive from conception. Any truthful doctor will tell you this.
- But we don't need doctors to tell us this. We know babies are alive from conception.

- Do you know what research is so important?
- Babies are scalped while alive during abortions so male baldness can be researched.
- There is a Planned Parenthood whistleblower named Sandra Merritt. This is a quote from her.

***[9] “They were scalping the babies and taking their scalps and grafting them to immune-suppressed mice, and then using various pharmaceuticals on these humanized mice to test the effect upon preventing, or I suppose you might say treating baldness.”***

- There are videos proving all of these things. Abortion doctors are proud of their abortion skills.
- They boast about how they can crush the tiny human bodies at the perfect angles to ensure baby body parts bring the largest sum of money.
- This is nasty, evil, and sick trash. This is just like passing children through the fire. Why? FOR MONEY.
- Listen to this, and make sure you understand this.

In a video, Dr. Deborah Nucatola is proud of her special technique that she developed for killing these babies.

- She reaches into the womb of the mother. She forces the baby into the breech position.
- She then crushes above and below the chest of the baby to easily harvest the baby organs intact.
- These intact organs, again, bring a much higher price.

Dr. Mary Gatter, a Planned Parenthood doctor, said she wanted a new Lamborghini so she needed better prices.

- She is bargaining for higher prices for baby parts from dead babies that she killed.
- She said that she came up with a “LESS CRUNCHY” technique to harvest the very tiny baby organs.
- She says that she deserved a higher price since she went through so much trouble to get better organs.

You know what? THIS IS PURE EVIL. These people deserve to die and be thrown into hell.

- AND THEY WILL DIE ONE DAY. And they will burn in hell FOREVER.
- They do all of this because of their love of money. What will you do with all your money?
- Is it worth it? How do you sleep at night? Do you look forward to killing innocent little children?
- YOU MUST BE POSSESSED BY A DEVIL OR MANY DEVILS. Pure sickness.

These losers could care less about anything else but themselves and money.

- THEY DON'T CARE ABOUT THESE WOMEN WHO ABORT THEIR BABIES. But they claim to.
- They are nothing but murderers and liars. They should be put to death just as God commands.
- Wake up people. They are using you to make money off YOUR dead babies. STOP NOW.
- There isn't anything much more evil than killing your own baby. It's your choice. It's time to stop.

***[10] Deuteronomy 18:10-12 There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12 For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.***

- Within the Bible, you'll find that God relates these child sacrifices to wizards and witches.
- Sacrificing your own child to devils is an abomination to the Lord God Almighty.
- What does that mean? God greatly hates when you kill your very own child.
- How could you do this? THEY ARE ALIVE, AND IT'S VERY CLEAR AND OBVIOUS THEY ARE ALIVE.

- There is no difference in killing them when they are 1 day old in the womb versus 10 years old.

How are you being fooled out there? Can you not see they were alive? Did you not know?

- Babies are alive from the point of conception. ASK ANY TRUTHFUL DOCTOR. They will tell you.
- STOP NOW. Do not murder your children.

***[11] 2 Kings 16:2-3 Twenty years old was Ahaz when he began to reign, and reigned sixteen years in Jerusalem, and did not that which was right in the sight of the LORD his God, like David his father. 3 But he walked in the way of the kings of Israel, yea, and made his son to pass through the fire, according to the abominations of the heathen, whom the LORD cast out from before the children of Israel.***

- I know this isn't obvious to some people, but it's not right in the eyes of the Lord to kill your child.
- AND GOD IS RIGHT. Total fools in today's world will say that it's their choice because it's their body.
- No, they used their body lustfully and conceived a child. Now that child is their responsibility.
- Here's the truth. THE BIRTH OF A CHILD HAS NEVER RUINED SOMEONE'S LIFE. Not once.
- But all of these women listen to the liars of this world that teach them a baby will ruin their life.

No, it's the other way around. The baby isn't ruining someone's life. YOU ARE RUINING THE LIFE OF THAT BABY.

- You are the one making all the wrong choices. You chose to fornicate with someone.
- GOD HATES FORNICATION. He commands you to only have a sexual relationship when you're married.
- Marriage, in God's eyes, is between a man and a woman. Anything else is fornication.

When a married man and woman who love each other conceive a child, they should be extremely happy.

- Why not? "Well, my wife's priority is her career." Your career isn't even alive. It doesn't breathe.
- And you want to put your career above the life of a human being? And you don't call that selfish?
- You would rather kill your own child. You would rather sacrifice your child to your career?
- Think about that. The fruit of your womb is nothing to you. What is wrong with you?

***[12] Psalm 127:3 Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.***

- Children come from the Lord God Almighty. Did you know some people hate children?
- I know some of them. They act as if children destroy everything.
- They will murder their own children. THEY HATE CHILDREN, but they were a child too.

"A BABY WILL MESS UP MY SLEEP SCHEDULE. A BABY WILL RUIN MY NORMAL DAY OFF."

- "I might have to get up and actually take care of someone who matters."
- If you think these things, you are a loser. Understand that. You'll never find joy in life.
- OPEN YOUR EYES. Children are an heritage of the Lord. The fruit of the womb is his reward.
- Children are a reward. They are a great blessing and gift from God.

My children have saved my days many times. They have cheered me up over and over again in my life.

- When I was having a bad day, one of them comes over and gives me a hug
- They didn't even know I was having a bad day.
- I would give my life for my children without a second thought.
- God blessed me with these amazing children, and I thank Him with all that I have for these children.

So, let's see. I have experience with children. Pam and I have 4 of them now. We love them.

- To these women who don't have children and want to murder their children through abortion:
- Let me, someone who has experience with children, tell you this.
- I wouldn't trade my children for the greatest career in the world. NOT ONE OF THEM.
- I wouldn't trade one of my children to win the next lottery.
- I wouldn't trade my children for the newest car model each year.

I wouldn't trade my children for 100 of the greatest mansions in existence. My wife is the same.

- She would step in front of a bus to save them. I KNOW HER. And I know this.
- Why do you think that is? Why would we give everything we've ever had or owned for these children?
- BECAUSE GOD GAVE US THESE CHILDREN AS A BLESSING AND A GIFT. We thank Him so much for them.
- We love them. God commands us to take care of them. And we're going to give it all we have.
- We will do our best to protect them.
- The thought of murdering our own children would NEVER cross our minds.

**[13] Jeremiah 7:29-31** *Cut off thine hair, O Jerusalem, and cast it away, and take up a lamentation on high places; for the LORD hath rejected and forsaken the generation of his wrath. 30 For the children of Judah have done evil in my sight, saith the LORD: they have set their abominations in the house which is called by my name, to pollute it. 31 And they have built the high places of Tophet, which is in the valley of the son of Hinnom, to burn their sons and their daughters in the fire; which I commanded them not, neither came it into my heart.*

- The children of Judah, or the Jews, burned their sons and daughters in the fire.
- They sacrificed their own children to false gods. ABORTION IS EXACTLY THE SAME THING.
- God says, "Which I commanded them NOT, neither came it into my heart."
- The thought of sacrificing your very own children to evil false gods never crossed God's mind.
- But, let's keep reading some more in Jeremiah Chapter 7.

**[14] Jeremiah 7:32-33** *Therefore, behold, the days come, saith the LORD, that it shall no more be called Tophet, nor the valley of the son of Hinnom, but the valley of slaughter: for they shall bury in Tophet, till there be no place. 33 And the carcasses of this people shall be meat for the fowls of the heaven, and for the beasts of the earth; and none shall fray them away.*

**[15] Jeremiah 7:34** *Then will I cause to cease from the cities of Judah, and from the streets of Jerusalem, the voice of mirth, and the voice of gladness, the voice of the bridegroom, and the voice of the bride: for the land shall be desolate.*

- Listen, I can see this happening right before my eyes. YOU CAN SEE IT TOO.
- If not, you need to slap yourself silly and wake up. This country enjoys murdering children.
- When abortion is made illegal, silly women show up everywhere protesting.
- MY BODY MY CHOICE. You want the choice to murder. You can do it. And God will destroy you.
- The voice of gladness will be gone from your life. THE LAND SHALL BE DESOLATE.

This is happening to our land as we speak. We're headed for desolation. We better turn back fast.

- In these idiotic "Pride Parades," adult men walk around naked in front of children.
- Adult women walk around naked in front of children. HOW IS THIS OKAY?
- And the adults who bring their children to see these things are just as bad.

- For some reason, everyone seems to support these sickening parades and Pride month.
- Women are PROUD OF MURDERING their children. Homos are proud of the sodomy they commit.
- Lesbians are proud of the sickness they live in each day. They are all together SICKENING.
- They all make me want to vomit. I HATE THEIR PRIDE.

***[16] Proverbs 11:2 When pride cometh, then cometh shame: but with the lowly is wisdom.***

- These people who are proud of committing abominations are a HUGE SHAME.

***[17] Psalm 73:6 Therefore pride compasseth them about as a chain; violence covereth them as a garment.***

- They'll accuse us of being violent. I've never threatened any of them.
- I've never done harm to any of them, and I never plan to. BUT GOD DOES.
- They are the violent ones, and God says HE WILL REPAY.

When you preach the truth about them, their violence shows. They will threaten to kill you.

- But you know what? I LAUGH AT YOUR THREATS. I laugh at them.
- You might kill this body, but you will never kill me because Jesus Christ says so.
- You have these weak murderous women who want to take on people who love God.
- I will warn you right now. IT WILL NEVER END UP GOOD FOR YOU. God is our protector.

Do you think it surprises me that an abortion lover would threaten to kill me?

- They killed their own child. They are proud of murdering their own child.
- OF COURSE THEY WILL WANT TO MURDER ME TOO. If they will kill their own, they would kill me.
- If they can murder an innocent child who has never done anything wrong, they would murder me.
- They would murder you. They are killers. They should be put to death by our government.
- But instead, what does our government do? They support them and encourage them.

***[18] Proverbs 8:13 The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.***

- When someone supports abortion, I hate them. I REJECT THEM. They have an evil mouth.
- They are froward. They hate God and ALL HIS WORDS. They hate Jesus Christ.
- If you support abortion, don't come to this church. Go to the false Disciples of Christ.
- They are actually disciples of Satan. They will love when you murder your children.
- They will help you to murder more of your children. They love and accept your child sacrifice to their god.

***[19] Proverbs 16:18 Pride goeth before destruction, and an haughty spirit before a fall.***

- The abortionists and all their supporters will be destroyed. THEY WILL FALL.
- I know you might not believe this, but there are organizations that are proud of abortion.
- They want all the women to be proud of what they've done to their babies.

Here's a quote: "I'm proud to have had an abortion. This was a time I respected my life, relationship, and body enough to do what was right for me."

- In this country, the statistics say that 1 in 3 women will have an abortion by age 45.

- "Women who have had abortions on why they're PROUD not to be moms on Mother's day."
- Listen to this one: "I was on a career track and this did not bode well for that."
- "I don't think about my kids on Mother's Day. I just think about me."
- These are the people who murder their babies. THEY CARE ABOUT THEMSELVES. Self love.
- ME, ME, ME, ME, ME. That's who they are looking out for, and that's very sad that it's ONLY about them.
- Let me be very clear. ABORTION or child sacrifice is an abomination to the Lord God ALMIGHTY. Fact.

***[20] 2 Kings 16:3 But he walked in the way of the kings of Israel, yea, and made his son to pass through the fire, according to the abominations of the heathen, whom the LORD cast out from before the children of Israel.***

- This is speaking of Ahaz, king of Judah. He made his own son pass through the fire.
- The heathen did these abominations and he copied them.
- THE LORD CAST THE HEATHEN OUT BECAUSE OF THESE ABOMINATIONS.
- Why would you do these same things? Did you not read what happened to these people?
- You won't win. Abortion supporters will never win. They've already lost. They lost their own children.

***[21] 2 Kings 21:6 And he made his son pass through the fire, and observed times, and used enchantments, and dealt with familiar spirits and wizards: he wrought much wickedness in the sight of the LORD, to provoke him to anger.***

- This was Manasseh, king of Judah. Same thing. Sacrificed his own son to false gods.
- God gets very angry when you kill your own child. You might not care, but you should.
- Take a look at this entire world. Look at the sun, moon, and stars. He made all these things.
- Aren't you just a little afraid? He holds your breath in His hands.
- Your heart is only beating because of Him. You should be afraid of Him.

***[22] Psalm 106:37-38 Yea, they sacrificed their sons and their daughters unto devils, 38 And shed innocent blood, even the blood of their sons and of their daughters, whom they sacrificed unto the idols of Canaan: and the land was polluted with blood.***

- The children of Israel did these things as we've already learned.
- Notice what verse 38 says. "AND SHED INNOCENT BLOOD." Babies innocent.
- Unborn babies are alive. They haven't done anything wrong. 100% totally innocent.

Now, these same people who murder their own children also don't agree with the death penalty for criminals.

- They don't even want the death penalty for serial killers. God says they should be put to death.
- They have murdered people. These are guilty murderers. But these fools want those people alive.
- God says that sodomites should be put to death, but they love the sodomites and pride month.
- Sodomites are pure evil because God says so. Babies? EXACT OPPOSITE. But they will kill them.
- What's happening in this world? EVIL IS WINNING AND TAKING OVER.

***[23] Luke 17:2 It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.***

- Trust me on this. These abortionists will not get away with what they do.
- God will take His vengeance out on the people who support abortion.

- They did evil, and He will return that evil.

**[24] Romans 12:19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord.**

- My prayer today is from Psalm 94.

**[25] Psalm 94:1-3 O LORD God, to whom vengeance belongeth; O God, to whom vengeance belongeth, shew thyself. 2 Lift up thyself, thou judge of the earth: render a reward to the proud. 3 LORD, how long shall the wicked, how long shall the wicked triumph?**

**[26] Psalm 94:4-7 How long shall they utter and speak hard things? and all the workers of iniquity boast themselves? 5 They break in pieces thy people, O LORD, and afflict thine heritage. 6 They slay the widow and the stranger, and murder the fatherless. 7 Yet they say, The LORD shall not see, neither shall the God of Jacob regard it.**

- These evil people doesn't think the Lord God Almighty can see what they do.
- They don't believe He knows why they do these things. BUT HE KNOWS. He see. Next verse.

**[27] Psalm 94:8-9 Understand, ye brutish among the people: and ye fools, when will ye be wise? 9 He that planted the ear, shall he not hear? he that formed the eye, shall he not see?**

- Do you not think God can see and hear? He formed the eyes and the ears.
- He designed them, created them, and gave them to you. Do you not think He can hear and see?
- He sees all the evil you're doing, and you will pay for it unless you change your mind quickly.

Please understand the absolute evil in abortion and the root of this evil. IT IS THE LOVE OF MONEY.

- A woman doesn't want the new child to interrupt her life. It's selfishness. It's self love.
- A child costs a lot of money. And these same people act as if they just can't take care of a child.
- What would a child do for them? They would be taking care of the child versus going out to bars.
- They wouldn't be whores all the time because they would be taking care of their child.

They can waste all of their money on alcohol, expensive clothing and shoes, and hair appointments.

- BUT THEY WOULDN'T DARE SPEND THEIR MONEY ON A GREAT BLESSING FROM GOD.
- They would rather murder the child. And yes, whatever you might think, this is MURDER 100%.
- And just so you know, many forms of birth control kill a living child within women.
- There are no pros of abortion. They are all cons. I've read about the views from the other side.
- THEY MAKE NO VALID POINTS AT ALL. They have idiotic arguments that mean nothing.

God knows what is right and wrong. He doesn't care what you think. I don't care what you think.

- Abortion is child sacrifice because of the love of money.
- No matter what you say, abortion is rooted in the love of money.
- Any person who can rip an unborn baby apart, take their organs, and sell them MUST be insane.
- Any person who can sleep at night after murdering their own child must be dead. It's not funny.
- It's not cool. It's not awesome. The people who say so must be insane.
- People are deceiving you out there. This world is very good at deceiving you with lies.

Abortion is not the way you want to go. Do you think anything good comes from abortion?

- Women say, "Well, I was able to focus on my career." Well, let's see where that gets you.
- You directly go against the commandments of God. NOTHING GOOD WILL COME FROM THAT.
- You might think you have something good because of an abortion, but you REALLY could have had something great.
- And it would have actually been great IN TRUTH. Your abortion will never lead to good. EVER.

Let's think about how you got to that point. Why are you having an abortion?

- Many times something bad happened. This could be fornication. One night stands.
- Bar hopping. Drunkenness. Adultery. Selfishness. Careers for women. Rape.
- You have a child living inside of you now.
- Why does the reason for you having that child within you not matter?

The child alive within you didn't do anything wrong. THEY ARE INNOCENT. Most likely, you did wrong.

- OR, someone else did wrong in the case of rape. Most abortions aren't due to rape, though.
- But people love to use that example. SOMEONE ELSE DID WRONG. The child didn't do wrong.
- But you STILL want to sacrifice your child? Why? Because you didn't want them?

You know what makes a baby. YOU DID IT IN MOST CASES. And you knew what could happen.

- But it's somehow not your fault. It's the fault of the child so you kill the child?
- "THAT BABY WAS GOING TO RUIN MY LIFE." The truth is you are a lying scumbag.
- You ruined the life of that baby, and you are proud of it. That's the definition of a scumbag.

There are some women who aborted their babies and are very sorry for what they did.

- I'm not talking about them right now. God can forgive. Jesus took the sins of the whole world.
- He can still save you unless you're already a reprobate.
- Keep aborting babies, and you just might end up rejected by God very soon. BE VERY CAREFUL.
- It's time to stop with the abortions. It's your choice to stop or to keep killing your own babies.
- What will you do? We shouldn't even need to have this sermon preached today. BUT WE DO.

**[28] Psalm 4:5 Offer the sacrifices of righteousness, and put your trust in the LORD.**

- Sacrificing your own child to money, your career, your uninterrupted life, and more is not a sacrifice of righteousness.
- It is an evil sacrifice to false gods who have deceived you into thinking about ME, ME, ME.
- Instead, offer the sacrifices of right things. PUT YOUR TRUST IN THE LORD.
- If you don't think you can take care of your own child, you would be wrong. GOD WILL HELP YOU.

**[29] Jeremiah 32:17-18 Ah Lord GOD! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee: 18 Thou shewest lovingkindness unto thousands, and recompensest the iniquity of the fathers into the bosom of their children after them: the Great, the Mighty God, the LORD of hosts, is his name,**

- There is NOTHING too hard for the Lord. He is the provider of all things. Do the right things.
- Put your trust in Him, and know that you and your child will make it. PUT GOD FIRST IN YOUR LIFE.

- He will make sure you are taken care of 100%. Do you understand that?
- The thought of you killing your own child NEVER crossed His mind. DO THE RIGHT THING.

***[30] Genesis 18:14 Is any thing too hard for the LORD? At the time appointed I will return unto thee, according to the time of life, and Sarah shall have a son.***

***[31] Job 42:2 I know that thou canst do every thing, and that no thought can be withholden from thee.***

***[32] Luke 1:37 For with God nothing shall be impossible.***

***[33] Luke 18:27 And he said, The things which are impossible with men are possible with God.***

- The truth is you and your baby are important to God. BOTH OF YOU. Trust Him, and He will come through.

***[34] Matthew 6:25-26 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment? 26 Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?***

- Do you not think God can take care of you and your child? Yes, you must work hard and put forth effort.
- God never said things would be so easy for you. You did wrong, and now things will be difficult.
- But He will help you. He won't do it all for you, but He will make sure you and your baby are taken care of.
- Don't kill your child. Instead, fear God and love Him by doing what He says.
- I guarantee that NOT aborting your child will be one of the best decisions you've ever made.

The best decision you've ever made, though, will be to believe IN the Lord Jesus Christ.

- And then teach your child about Jesus Christ. You'll spend eternity together in heaven.
- But if you decide to never believe in Jesus Christ and murder your child, only your child will be there.
- And you will never meet that unborn child that you killed. You don't want that.
- And you'll get to think about what you did for all of eternity in hell.

So, now is the time to believe in Jesus Christ, and stop doing evil in the sight of the Lord.

- He sees, He hears, He knows, and He knows you well because He gave you life.
- And thank God you can hear this now because you weren't aborted by your mother.
- Do the right thing.

Let's pray.
