

BIBLE SERMON: PROVERBS CHAPTER 28

[2] The title of the sermon: "PROVERBS CHAPTER 28."

- Let's continue our verse by verse Bible Study in the Book of Proverbs.
- We'll start there in verse 1 of Proverbs Chapter 28.

[3] ***Proverbs 28:1 The wicked flee when no man pursueth: but the righteous are bold as a lion.***

- The wicked are very paranoid about things because they are constantly doing wrong.
- They think everyone is after them. They run away when no one is even pursuing them.
- No one is physically coming after them, but yet they still run away.

The righteous are those who believe in God. They aren't afraid of every little thing.

- This is the first verse in all the Bible where the word BOLD appears.
- The righteous are as bold as a lion. They stand up for what is right, and they don't back down.
- The wicked and the righteous are opposites. One doesn't believe in God and the other does.
- That's the difference in the wicked and the righteous.
- One hates Jesus Christ and the other loves Jesus Christ.

[4] ***Leviticus 26:36 And upon them that are left alive of you I will send a faintness into their hearts in the lands of their enemies; and the sound of a shaken leaf shall chase them; and they shall flee, as fleeing from a sword; and they shall fall when none pursueth.***

- The sound of a shaken leaf shall chase them. God can bring fear upon you that you can't even imagine.
- If you want to go against Him, be ready to be afraid the rest of your life.
- If you want to hate God, be very afraid. You should be paranoid. Why? You have no chance to survive.
- Believe in Jesus Christ, and you will be righteous and bold as a lion.

You will be like Noah against the world. Abraham against the kings. Moses against Pharaoh.

- Joshua against Jericho. Jael against Sisera. You will be like Jephthah. You will be like David against Goliath.
- Hezekiah against the Assyrians. Elijah against his enemies. Jehu against Ahab and Jezebel. Very bold.
- You will be like Daniel against the people who hated God. He was very bold.
- You will be bold like Shadrach, Meshach, and Abednego. We will not bow down and worship a false god.
- You will be bold like Peter, John, Paul, and Barnabas. They stood up and preached the word of God.
- The Bible tells us Isaiah was VERY BOLD. Nathan stood up to David. God's preachers are very bold.

If you have a preacher in a different church that's scared to preach against homosexuals, he or she is wicked.

- If your pastor can't even preach against sin, he or she is wicked. They are not bold.
- God didn't choose people who flee when no man pursues.
- "Well, I can't preach against that because someone MIGHT get offended and leave."
- Let's keep going in Proverbs Chapter 28.

[5] Proverbs 28:2 For the transgression of a land many are the princes thereof: but by a man of understanding and knowledge the state thereof shall be prolonged.

- When a land transgresses against the Lord, they end up with many princes or leaders.
- You can see this in the kings of Israel. You can see this in our world today.
- We have many leaders who constantly change the so-called truth.
- The so-called "Supreme Court" constantly changes the truth. The liars will be destroyed.
- And many times they are replaced by other liars. Because of transgressions, a land has many princes.

"But by a man of understanding and knowledge the state thereof shall be prolonged."

- For example, Jesus Christ is THE MAN of understanding. He abides forever. God is eternal.
- He changes not. He doesn't change the way to salvation as churches and religions constantly do.
- His way of salvation is rock solid. Jesus is the rock.
- He will never change the truth because truth doesn't change. Evil does not win against Jesus Christ.

[6] Isaiah 3:1-4 For, behold, the Lord, the LORD of hosts, doth take away from Jerusalem and from Judah the stay and the staff, the whole stay of bread, and the whole stay of water, 2 The mighty man, and the man of war, the judge, and the prophet, and the prudent, and the ancient, 3 The captain of fifty, and the honourable man, and the counsellor, and the cunning artificer, and the eloquent orator. 4 And I will give children to be their princes, and babes shall rule over them.

- When you want to go against the Lord, there will be consequences. You will have many rulers.
- And they won't be good rulers. Take a look at the United States of America.
- We are given our choices of rulers every election. If you don't vote for 1 of the 2, you lose.
- And we are usually given 2 fools to choose from who have no faith in Jesus Christ. This is true.

[7] Proverbs 28:3 A poor man that oppresseth the poor is like a sweeping rain which leaveth no food.

- You have a poor man. He is poor for a reason. That man oppresses the poor.
- For example, Joe Biden says he was poor. I don't know if that's true or not. And I really don't care.
- But Joe Biden oppresses the poor, but acts as if he doesn't.
- Giving free money to the poor doesn't help them. This oppresses them even more.

When things like this are done, this is like a sweeping rain which leaves no food.

- A hard rain comes in, the water runs along the ground, and the food is taken away with the rain water.
- For example, I've sowed grass seed many times before and a hard rain comes in quickly.
- That rain takes all the seed away. Gone just like that. There's one example in the Bible that describes this.

[8] Matthew 18:23-25 Therefore is the kingdom of heaven likened unto a certain king, which would take account of his servants. 24 And when he had begun to reckon, one was brought unto him, which owed him ten thousand talents. 25 But forasmuch as he had not to pay, his lord commanded him to be sold, and his wife, and children, and all that he had, and payment to be made.

- This king takes account of his servants. This man owed the king 10,000 talents. He didn't have the money.
- This is a poor man. Since he couldn't pay, his lord commands him and his family to be sold.
- They are going to be sold for money and become servants. Everything that he had would be sold.

[9] Matthew 18:26-27 *The servant therefore fell down, and worshipped him, saying, Lord, have patience with me, and I will pay thee all. 27 Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt.*

- The man falls down and worships the king. "Have patience with me, and I will pay thee all."
- The lord of that servant was moved with compassion, looses him, and forgives him of the debt.

[10] Matthew 18:28-30 *But the same servant went out, and found one of his fellowservants, which owed him an hundred pence: and he laid hands on him, and took him by the throat, saying, Pay me that thou owest. 29 And his fellowservant fell down at his feet, and besought him, saying, Have patience with me, and I will pay thee all. 30 And he would not: but went and cast him into prison, till he should pay the debt.*

- This is the poor oppressing the poor. We are all poor in this flesh. We all sin in this flesh.
- We preach against sin because sin will kill you. But we all sin. Don't expect someone else to be perfect.
- You aren't perfect. Don't oppress them because they aren't perfect. Are they at least trying?
- If so, don't oppress them. Now, if they're saved and aren't trying, that's a different story.

But these other poor people fell down at this poor man's feet and asked the same thing.

- Be patient with me, and I will pay thee all. But he didn't do the same to them that was done to him.
- God is a righteous King and Lord and will forgive our debts. He isn't the poor oppressing the poor.
- We shall be like Him. When someone asks forgiveness and humbles themselves, we forgive.
- Don't be the poor oppressing the poor. We are poor. We are only made rich through Jesus Christ.
- When we forgive others as God forgives us, we stop this sweeping rain from taking away all the food.

[11] Proverbs 28:4 *They that forsake the law praise the wicked: but such as keep the law contend with them.*

- For example, You Tube praises the World Health Organization and follows their vaccine information.
- The truth is the Covid-19 vaccine isn't even a vaccine. They can call it whatever they want.
- They spread misinformation and accuse me of doing so. They don't like that I teach to trust in the Lord.
- They don't believe in the Lord. They believe the Lord God Almighty is a fairy tale.

They can't even look at all of God's creation and admit there must be a Creator. The proof is all around them.

- They are blinded fools. God gave us all life, and He gives us more life. A vaccine doesn't.
- A vaccine doesn't save you and give you more life. Instead, we trust in the Lord.
- You Tube says this is misinformation on the Covid-19 vaccine. "You've been warned," they say.
- Let me tell you this, You Tube. You've been warned. God will destroy you because you don't trust in Him.
- Keep on trusting everything else. Who do they trust? THE WICKED.

"They that forsake the law praise the wicked: but such as keep the law contend with them."

- My prayer to God right now is that You Tube is completely destroyed. THREE STRIKES FOR YOU TUBE.
- God hears my prayers because I love Him. I pray that You Tube, the business, is completely destroyed.
- I pray that Google, the business, is completely destroyed. You spread lies and misinformation.
- And we're sick of it. May God destroy you. God has given you thousands of strikes. You lose.
- And yes, I will keep the law, and I will contend with the wicked. They may kill my body but I'm not dead.

Let's see. The all powerful Google and You Tube here on this earth or the all powerful God in heaven.

- Who wins? Whose side do you think God will take? The one who teaches people to trust in Him.
- Or, the one who teaches people to trust in man? God is on our side. You Tube will lose.
- And yes, the other side will think this is hilarious. But God laughs at them.

[12] Psalm 2:1-4 Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision.

- You Tube is a joke of an organization with their misinformation policies.
- One day they'll realize how much misinformation they have spread.
- They protect the wicked and give warnings and strikes for the truth.
- If they would review more of our videos, they would have banned us a long time ago.

[13] Psalm 10:3 For the wicked boasteth of his heart's desire, and blesseth the covetous, whom the LORD abhorreth.

- I guarantee you that God hates You Tube the business. They are full of liars and wicked leaders.

[14] Proverbs 28:5 Evil men understand not judgment: but they that seek the LORD understand all things.

- Evil men can't see or understand the truth. They don't understand that a murderer should die.
- They don't understand how it's wicked to steal, riot, and crush other people's work places.
- They don't understand that what they're standing up for is a lie.
- They don't understand that Jesus Christ is THE SAVIOR OF THE WORLD.
- They don't understand that they will bow down to Jesus Christ. They say, "No I won't." But they will.
- While they rot in hell, they will bow down. Jesus will be there as they burn in torment.

Seek the Lord, and you will understand all things. God gives this understanding.

- After we're saved, we work for God and He gives understanding as we work and pray for His wisdom.
- We seek the Lord. We don't seek the ways of man. We seek the ways of God.
- I don't want to be like any man on this earth. I don't even want to be me in this flesh.
- I want to do what God wants me to do. I want to work for Him. I want to follow what He says.
- He gave us His words that do not change.

[15] Proverbs 28:6 Better is the poor that walketh in his uprightness, than he that is perverse in his ways, though he be rich.

- We aren't going to be perverse or perverted from God's ways for money.
- Better is the poor that walketh in his uprightness. Our uprightness is God and Jesus Christ.
- Our uprightness is the indwelling of the Holy Spirit. We don't compromise for things.

We don't care for things. We would rather do what God says than have things.

- And God says this is better. Earthly riches rust, burn, and fade away. Heavenly riches do not.
- We will choose heavenly things. We will not choose earthly things.

- We know there are far greater things in heaven. We choose God.

[16] Proverbs 28:18 *Whoso walketh uprightly shall be saved: but he that is perverse in his ways shall fall at once.*

[17] Proverbs 16:8 *Better is a little with righteousness than great revenues without right.*

[18] Proverbs 19:1 *Better is the poor that walketh in his integrity, than he that is perverse in his lips, and is a fool.*

- Always walk in the ways of God. Don't compromise for money. Don't be like Lot.
- Don't choose money and vex your righteous soul. Don't choose the queer ways of this world.
- We don't make friends with people who hate God. Sodomites hate God.
- People who love sodomites compromise God's ways. THEY ARE PERVERSE. They shall fall at once.

[19] Proverbs 28:7 *Whoso keepeth the law is a wise son: but he that is a companion of riotous men shameth his father.*

- We are wise when we do what God says. For example, tattoos are not wise.
- We are not to write on our bodies. Some people didn't know this before they got a tattoo.
- Now they know not to do it. Why? Because God wrote in His laws to us.
- When we go against His laws we are a shame to Him.
- We should not be a companion of riotous men. If you want friends that hate God, you are a shame.

[20] Leviticus 19:28 *Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD.*

- Most people with tattoos are proud of them. They even get tattoos of Jesus Christ.
- This tells me they don't read His words. He made this law. Tattoos are cuttings in your flesh.
- This resembles people possessed with devils in the Bible or people who love to worship false gods.

Here's the truth. God hates your tattoos. He says, "Don't print ANY marks upon you."

- "But this one is for my grandfather who is watching over me." God doesn't care. He watches over you.
- Your grandfather isn't God. See? You have these false beliefs and you tattoo them on your body.
- God hates this. Yes, it is a sin. He hates sin. Don't allow your riotous friends talk you into tattoos.
- Don't even be their friend. You don't want friends that hate God. They will take you away.
- You will be a shame to God, and you shouldn't want that.

[21] Proverbs 28:8 *He that by usury and unjust gain increaseth his substance, he shall gather it for him that will pity the poor.*

- Usury, as defined today, is the illegal action or practice of lending money at high rates of interest.
- I would compare it to credit card companies who charge people ridiculous amounts of interest.
- And for those who might not know, always pay your credit card off completely every month.
- If you don't have the money to pay it off, then don't make the purchase. You don't need it.
- I have credit cards, but I've never failed to pay the full balance due every month.

- Don't spend more than what you can afford.

These people who gain by usury and unjust gain will increase his substance. The Bible says so.

- But what happens to this unjust gain? These evil men and women are gathering it for others.
- They won't enjoy it. They will lose it to those who pity the poor.

[22] Job 27:13-17 *This is the portion of a wicked man with God, and the heritage of oppressors, which they shall receive of the Almighty. 14 If his children be multiplied, it is for the sword: and his offspring shall not be satisfied with bread. 15 Those that remain of him shall be buried in death: and his widows shall not weep. 16 Though he heap up silver as the dust, and prepare raiment as the clay; 17 He may prepare it, but the just shall put it on, and the innocent shall divide the silver.*

- The Bible teaches this throughout. You don't want to be a wicked man. God will pay you back.
- The innocent will get all of the gain that you thought you were getting.
- Steal from others, and you'll never enjoy anything. Don't be a thief. You will never win.

[23] Proverbs 28:9 *He that turneth away his ear from hearing the law, even his prayer shall be abomination.*

- You have many people out there who want to pray to God when they need help.
- "Oh God, please help me. I am in trouble now. I am going to die."
- But they ignore Him constantly. They don't read His words. They hate His words.

They want God to be whatever they want Him to be. They think He'll be there when they need Him.

- They don't want to do anything for God. They don't want to come to a good church and learn His words.
- They would rather sit at home and watch TV. WORTHLESS TO GOD.
- They do nothing for Him, and then they want to pray to Him. He won't hear them.
- "Even his prayer shall be abomination." He will hate their prayers. He will not hear them.

[24] Proverbs 28:10 *Whoso causeth the righteous to go astray in an evil way, he shall fall himself into his own pit: but the upright shall have good things in possession.*

- There are many evil and wicked people who will do their best to get you to go astray.
- Make sure you hear this. Everyone who might act as your friend is not your friend.
- These so-called friends will be trying to get you to participate in evil with them. Don't be trapped.
- This is a warning to those people who do these things. They will fall, themselves, into their own pit.

Stay upright by following the Holy Spirit, the Spirit of Christ. You shall have good things in possession.

- When you go the way of the wicked, you will not gain anything good.
- The fun you think you'll have is actually not fun at all. It's destroying you and leading to death.
- I've seen it myself. Every word of God is true. Millions of examples prove this to be true.

[25] Proverbs 28:11 *The rich man is wise in his own conceit; but the poor that hath understanding searcheth him out.*

- I've spoken with many people throughout my life. Many are rich and conceited.
- They are wise in their own conceit. They love to turn everything into a contest.

- "Well, my son has a PhD in helping others. He is so great. He is so smart. He is like God."
- "Well, my daughter makes more money than you. She went to Yale. We are all so great."
- Yes, keep talking with these people. Search them out. They will reveal what's important to them.
- And it's not God. It's not Jesus Christ. It's the riches of this world that they care about and love.

Do you know something that's far more important than money? SOULS. Winning souls to Christ.

- I've never had someone tell me that their son is so great because he wins souls to Christ.
- Now, that's awesome! "My daughter wins people to Christ every week." But do people ever say that?
- Not really. I've never heard it. They have pride in things of this world. "My son wrestles for this college."

"My daughter goes to college here and is studying to be a doctor."

- "My son plays baseball for the University of North Carolina. My daughter is in law school."
- "Our house is bigger than yours. Our car is a new model. Yours is a few years old." Who cares?
- Stop being WISE IN YOUR OWN CONCEIT. You have a wonderful opinion of yourself.
- You are better than everyone else in your own eyes. The Bible says there are none good.

When we give the Gospel to others, we search them out. I continue asking questions that teach me about them.

- We want to make sure they are saved. Many will tell me that it's Jesus Christ alone that saves.
- But keep searching. They love James Chapter 2. They say, "But faith without works is dead."
- So we keep going and show them that grace and works are opposite.
- We are only saved by grace through faith. You must know that it's faith alone that saves. NOT OF WORKS.

[26] Proverbs 28:12 When righteous men do rejoice, there is great glory: but when the wicked rise, a man is hidden.

- Men hide when the wicked arise. God hides His people from the wicked many times in the Bible.
- When the wicked arise, they attempt to hide God and Jesus Christ from others.
- When Covid arose, the wicked attempt to get everyone to beg and plead for their vaccine.
- They don't go to the Lord and ask for help because they don't believe in the Lord.
- The vaccine has cost us billions upon billions. God's help is free.

What do righteous men rejoice over? Do we rejoice over wickedness? No, we don't.

- We rejoice when someone is saved. We rejoice when people are baptized.
- We rejoice when people come to church to learn God's words. We rejoice as we worship God.
- We rejoice that God has saved us and given us everlasting life. We rejoice when the wicked are destroyed.
- There is great glory in all of these things because God is doing these things. He gets all the glory.

[27] Proverbs 28:13 He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy.

- Many people sin and believe it's okay. For example, people justify lying all the time. God hates lying.
- "Well, I had to tell them a lie because it will work out better that way." This is what people think.
- That's foolish thinking. That's idiotic thinking. Lies don't help anything.
- When the government constantly lies to us, they think it's better because they think we're all idiots.
- The truth is that they are the idiots. They hide their secrets constantly from the people.
- They think it's better to hide the truth. They love to hide God and show themselves as God.

But God isn't a fool. They are. They think they do right by lying. "He that covereth his sins shall not prosper."

- They will attempt to hide their own sins by bringing up the sins of others. "Look what he did."
- "Look what she did." Everything is a game to them. Politics is a game. I hate politics.
- If you love politics and playing games, something is wrong. Lies are wrong.
- Confess those sins. Forsake those sins. Hate the sins you commit and stop doing them.
- "I hate what I just did. I am so sorry God. Please forgive me."
- Who do you confess your sins to? The Bible tells us.

[28] Psalm 32:5 *I acknowledged my sin unto thee, and mine iniquity have I not hid. I said, I will confess my transgressions unto the LORD; and thou forgavest the iniquity of my sin. Selah.*

- We confess our sin to the Lord. We don't confess our sins to a priest.
- If you've done wrong to someone, you can tell them you're sorry.

[29] Luke 15:21-24 *And the son said unto him, Father, I have sinned against heaven, and in thy sight, and am no more worthy to be called thy son. 22 But the father said to his servants, Bring forth the best robe, and put it on him; and put a ring on his hand, and shoes on his feet: 23 And bring hither the fatted calf, and kill it; and let us eat, and be merry: 24 For this my son was dead, and is alive again; he was lost, and is found. And they began to be merry.*

- It's better to confess your sins to God. If you've done someone wrong, tell them you're sorry.
- "You shall have mercy," the Bible says. That person may or may not have mercy on you, but God will.
- We are to forgive others when they are sorry. If not, God will not forgive you.

[30] James 5:16 *Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.*

- Notice this says to confess your faults. For example, you might have a fault of eating too much food.
- We can help with that fault. This doesn't mean to confess every sin you commit to each other.
- We pray for the faults of each other. We pray that we do better for each other.
- The King James Bible teaches truth. We don't confess every sin to each other.
- We confess our sins to the Lord and forsake them. He is merciful on us.

[31] Proverbs 28:14 *Happy is the man that feareth alway: but he that hardeneth his heart shall fall into mischief.*

- Fearing God will make you happy. No fear, a clothing brand from 1989, is wrong.
- You should have the fear of God. You shouldn't have the fear of men, or you will do wrong when they say.
- If you do wrong, you don't fear God and what He can do to you.
- You will be happy when you fear God always. That's what you want. Read the Bible. You will fear Him.
- Trust in His words, and you will fear Him. If you don't fear God, you harden your heart.

I know what this is like. I've done this before in my life. I hardened my heart. "His heart shall fall into mischief."

- Did that happen to me? Yes, it did. You don't want to go there. It's not happiness. It's not joy.
- Why? Because you hurt other people. Because you're selfish. You only care about yourself. That's evil.

- Don't do this. Trust me. You don't want to go there. ALWAYS FEAR GOD.
- And understand that God is not on your side as you sin. He's not. So stop doing those things.

[32] Proverbs 28:15 As a roaring lion, and a ranging bear; so is a wicked ruler over the poor people.

- You can see how God rules this world. He gives us freedom to make our own choices.
- He doesn't tax us. He doesn't destroy us completely when we do evil. He give us time.
- He's merciful. His grace is everlasting. He is a perfect and righteous ruler who loves this world.
- He doesn't love the evil. He doesn't love the sin. He doesn't love reprobates who hate Him.

He is good to all. He doesn't take from the poor, fatherless, and widows.

- He doesn't target anyone who is weak. He doesn't still from the elderly.
- He is the exact opposite of these wicked rulers that we have. They are like roaring lions.
- They are like ranging bears looking to devour. They love to take freedom away.
- They love to blame guns for all the crime. They love to blame newly formed babies for everything.
- When will they stop? They won't until God destroys the evil and wicked in hell. Thank God for hell.

[33] Proverbs 28:16 The prince that wanteth understanding is also a great oppressor: but he that hateth covetousness shall prolong his days.

- King Nebuchadnezzar wanted his people to tell him his dream and the interpretation of it.
- He wanted understanding. If they didn't give it to him, he was going to kill them.
- They want all the answers, and they will oppress others to get that understanding.
- Managers in workplaces all over this country do this constantly as well.
- Give them what they want, or you will be fired. They are great oppressors.
- They want understand that others have, and they don't want to work for it at all.

There's many people who want what others have while they sit on the couch all day and watch TV.

- They say, "It's just not fair." Then get up and do something and stop your whining.
- Don't expect to have everything while you do nothing and others are working. You oppress others.
- You want the government to give you free money. You are stealing from others. Why?
- The Bible tells us. You are coveting or wanting what others have.

"But he that hateth covetousness shall prolong his days." Be happy with what you have.

- Maybe you have nothing because you've stolen from people all your life.
- If you remember, we just went over that in this same chapter. Steal from others and you'll have nothing.

[34] Proverbs 28:17 A man that doeth violence to the blood of any person shall flee to the pit; let no man stay him.

- If you want to run towards death, then do violence to the blood of people.
- If you want to die quickly, murder someone. You will die. You flee to the pit.
- "Let no man stay him" means to let not anyone help him. But, does this country follow God's law?

No. What happens? They get free lawyers to help the murderers. Are those lawyers actually free?

- No. Who pays them? WE DO. Our taxes pay for this help to these murderers.

- And then, as they sleep, eat, and play in prison, we pay for that too. We help murderers in this country.
- They should be put to death immediately. But don't fret, God will take care of them.
- LET NO MAN STAY HIM. Do not help a murderer. "But he's my son." So what? Don't help him.

[35] Proverbs 28:18 *Whoso walketh uprightly shall be saved: but he that is perverse in his ways shall fall at once.*

- God commands us to walk uprightly. He will save us out of many things. He's done so many times.
- For example, I think God has saved us from a contractor coming back to our home.
- I think he's a drug dealer, but I'm not 100% sure. Either he went to jail or his boss fired him.
- Personally, I thank God for that. I thank you all for the prayers for that. God saves us out of many things.

We don't even know when He's saved us out of things. We keep trying our best for Him, and He saves us.

- We trust in Him, we walk uprightly according to His Gospel, and we believe in Jesus Christ.
- This is when He saves our souls. But He saves our flesh too, many times, as we walk uprightly in Him.
- I am only alive and breathing right now because God loves me.

I only have a beautiful wife, inside and out, and 4 beautiful children, inside and out, because of God.

- I don't deserve them. But I do my best for God, and He gives us many blessings.
- I have a place to sleep at night. I have food every day. I can walk. I can see. I can hear. I can read.
- I don't have pain. I am not suffering. I could be at any time. Thank God for all things.

[36] Proverbs 28:19 *He that tilleth his land shall have plenty of bread: but he that followeth after vain persons shall have poverty enough.*

- Some people are always looking to get rich quick. They will cheat people on jobs.
- They raise their prices to people who appear to have money. They charge others less for the same things.
- They want to get as much as they can out of someone.
- If someone has more money than them, they want to make it more even.
- Others work hard, day after day, month after month, and year after year. They till their land.
- They keep working. They are constant and dedicated. They don't quit. They shall have plenty of bread.

But others follow after these vain persons. Flipping houses for a quick dollar is something people do now.

- They try to make as much money as possible. I will never buy a house that has been flipped.
- You don't know what's on the inside, and I guarantee you that most flipping houses don't care.
- They just want your money. They are looking to get rich quick because a vain person taught them this.
- Don't follow after vain persons. They shall have poverty.

For example, the churches around here might look as if they are blessed by God. But these are physical things.

- In church, I want all of us to be blessed spiritually. This is why we go verse by verse.
- This is why the sermons are detailed and long. This takes work. We shall have plenty of bread.
- We shall have plenty of spiritual blessings. Most people in churches today follow after vain persons.
- The pastors don't even know the simplicity of the Gospel of Jesus Christ.

[37] Proverbs 28:20 *A faithful man shall abound with blessings: but he that maketh haste to be rich shall not be innocent.*

- Same topic as we continue in Proverbs Chapter 28. Make haste to be rich, and you shall be guilty.
- We do what's right. We do what God asks us to do, and He blesses us in whatever ways He wants.
- For example, I will take wisdom over a big new house. I've already had that before. It's all vanity.
- I will choose one verse in the Bible over that big new house. Imagine if we didn't have the Bible.

I would search my entire life for one verse so I could know the word of God. But He gave it to us.

- He preserves it for us. We need His words. We thank God for His words.
- Don't search your whole life for money. Search your entire life for God's truth. This is not vain.
- This is not worthless. You, being in church right now, is not worthless. The time you spend here is worth it.
- Understand what you have here in this church and understand what you have with God's word.
- Don't forsake His words. The root of all evil is the love of money. Don't love money.
- Abstain from the appearance of all evil.

[38] Proverbs 28:21 To have respect of persons is not good: for for a piece of bread that man will transgress.

- If you respect persons, you will do wrong when they ask you to do wrong.
- For example, if the President of the United States commands you to take a vaccine, you'll do it.
- Why? Because you "THINK" God commanded us to do whatever our rulers here on earth tell us to do.
- He doesn't command you to do whatever your rulers tell you to do.
- He commands you to follow His commandments. A good ruler will fall in line with the word of God.

The world has taught people that anyone who hasn't taken the Covid vaccine is dangerous.

- The rulers of this world have taught these things. This comes from the rulers of this world.
- I do not respect their persons. "The World Health Organization says this and this and this."
- Hey, listen, I don't care what they say. God says to trust in the Lord. NO ONE ELSE.
- And especially not a dead vaccine. Let me ask you a question.

If I am so dangerous to others, as they are saying, why is my entire family alive? I am not dangerous.

- I am with them every day. If I am so dangerous, why is everyone doing well all around me?
- These others teaching lies and supporting lies, such as You Tube, are the dangerous ones.
- They say, "We promote a safe place for all, and you are not teaching safe things so here's a strike."
- They are dangerous because they are fools and will transgress because they have respect of persons.
- "Are you a doctor? How do you know? Are you a biologist? How do you know their gender?"
- Hey, fool, you don't have to be a doctor and a biologist to determine these things.

"Are you this or this? Do you have a degree in this? Do you have a degree in that?"

- Listen, I have more than all those things. I have the Holy Spirit dwelling within me.
- And you, wicked person, are a fool. Do you hear that, fool? I don't care what you think.
- I care what God says. Your thoughts about the Covid vaccine and it's greatness are vain and worthless.
- The Covid vaccine isn't doing any good at all in this world, but you, fool, believe that it is.

[39] Proverbs 28:22 He that hasteth to be rich hath an evil eye, and considereth not that poverty shall come upon him.

- Look at that. The entire reason for the Covid vaccine that does nothing: MONEY. Hasting to be rich.

- "He that hasteth to be rich hath an evil eye." Be careful out there vaccine pushers.
- "And considereth not that poverty shall come upon him."
- I pray for all the vaccine pushers to come to poverty. They haste to be rich. Poverty is coming for you.
- The rich will fall into temptation. They will fall into snares and traps.
- They will follow after foolish and hurtful lusts. They always do. They will destroy themselves. Always.

[40] Proverbs 28:23 *He that rebuketh a man afterwards shall find more favour than he that flattereth with the tongue.*

- I don't want to hear flattering words. I would rather hear where I am wrong so I can fix it and get it right.
- I don't listen to You Tube advisors who tell me what I can say and what I can't say.
- If you don't like it, You Tube, delete the account. I'll find another way. And God will bless the other way.
- And He will curse your ways because you attempt to stop His words. You can't. Trust in the Lord.
- You Tube hates when you preach to trust in the Lord of all Creation over their idiotic selves.

I love rebuke from people who use the word of God, divided rightly, to rebuke. I love to learn the right ways.

- When you rebuke someone with the right ways, you will find favour with a righteous man.
- But don't come with trash like You Tube attempting to rebuke someone preaching God's words.
- For example, faggotry is evil. Faggots support climate change. Climate change idiots are everywhere.

You Tube employees probably love queers and climate change. They hate God.

- Hating God is against God's rules. STRIKE THREE YOU TUBE. You're out.
- That's a great side to choose, huh? Queers, vaccines, and climate change over God and His people.
- They like to muzzle God's people in a free country with free speech. But they allow all the evil.
- God gave you life. Queers give you monkey pox. And you choose queers?
- "Oh, we don't call it monkey pox any more because that is offensive." No, you are offensive to God.
- Do you know who created disease? God.

"Oh no, the climate is changing. The sky is falling. Covid is back. We need electric vehicles now."

- "Where is my face diaper? Oh know someone might get within 5 feet of me. I'm scared."
- "Cows are letting out gas all over the earth. I run and hide constantly when no one is after me."
- "Cows just use the bathroom wherever they want like the homeless in San Francisco."
- "What will we do?" What a joke of human beings. WAKE UP, FOOLS.

They act as if there is no God in existence who made the heavens and the earth.

- When you don't think a God exists, you show how stupid you are. LOOK AROUND. Look at the earth.
- It's hanging on nothing just like God says. He put it there in the perfect spot.
- "Well, I believe it all went BANG and this is what you got." Yeah, you would believe that, fool.

[41] Proverbs 28:24 *Whoso robbeth his father or his mother, and saith, It is no transgression; the same is the companion of a destroyer.*

- Honor thy father and mother. God's punishment for not doing that is death.
- Don't rob your father and mother of ANYTHING.
- I know people who take whatever they want from their father and mother.
- They go to clean their home. They see money laying around. They take it. That's robbery.

They say, "It's not a big deal." GOD SAYS IT IS A BIG DEAL. That same person is the companion of a destroyer.

- A companion of fools shall be destroyed. So, listen, don't be a companion with these people.
- They transgress against God, and I will not participate in those things with you.
- Many of these same people wait for their parents to die so they can get a couch, TV, car, or a house.
- They could care less about their father and mother. They just love money and things. You're evil.

[42] Proverbs 28:25 *He that is of a proud heart stirreth up strife: but he that putteth his trust in the LORD shall be made fat.*

- If you don't trust in the Lord, you have a proud heart and stir up strife.
- You Tube started the strife with me. I preach what the Bible teaches.
- God rained fire and brimstone on the sodomites. God calls homosexuals DOGS. They are dirty dogs.

If you can't see that with what they do, then you have the problem. They are nasty.

- Dogs lick up their own vomit. Faggots do much worse things than that.
- They get diseases because they are nasty. They are unclean in all ways. They are corrupted fools.
- They stir up the strife against God because of what they do.

Vaccine pushers are the same because they put no trust in God.

- The Catholics, who actually believe the Pope is perfect and sinless, show us their judgement.
- They love the vaccines. "Well, God put it here for us." NO HE DIDN'T. Man did. God didn't.
- "Be careful, Josh, you might get a strike from You Tube." Oh no, what will I ever do!!!
- "You Tube has deleted us. Oh no!!! Who will save us now?"

[43] Proverbs 28:26 *He that trusteth in his own heart is a fool: but whoso walketh wisely, he shall be delivered.*

- The entire world trusts in their own ways. People tell me constantly, "I believe what is right."
- And I say, "Not if you don't believe what God says." God says sodomites shall be put to death.
- That is His law. Our country doesn't follow His law any more. They did, but not any more.

Our country chooses to side with the sodomites over God. They trust in their own heart.

- "Well, that can't be right. God loves everyone all the time. There is no hell." This is what they say.
- God showed us the example. The sodomites suffered the vengeance of eternal fire.
- If we walk after God's words, we walk wisely. We shall be delivered. They will not be delivered.
- God has turned them over to a reprobate or rejected mind.

[44] Proverbs 28:27 *He that giveth unto the poor shall not lack: but he that hideth his eyes shall have many a curse.*

- If a poor man needs your help, will you help him? If you give to the poor, you shall not lack.
- If you hide your eyes from him as you pass by, you shall have many a curse.
- Now, we're not talking about drunks who want money so they can get drunk again.
- Let's take them and give them jobs. Give the jobs to the poor. Get them to work hard and produce.
- But guess what? They don't want them. They don't work. They don't eat.
- Let's help the poor who work and try to do good. We will help them. We will not hide our eyes.

[45] Proverbs 28:28 *When the wicked rise, men hide themselves: but when they perish, the righteous increase.*

- For example, You Tube is filled with wicked people who make wicked rules.
- "You're spreading misinformation. God cannot save anyone but the Covid vaccine can." IDIOTS.
- When the wicked arise, men hide themselves. I only hide if God commands me to hide.
- You Tube attempts to keep the righteous word of God from increasing.

When these wicked people perish, the righteous increase. More people speak out.

- It's time to keep speaking the truth and not stopping no matter what.
- You can kill our bodies, but you can't kill our souls.
- What's the worst thing that can happen right now? Banned from You Tube? Oh no!!!!!!!
- Canceled by the liberals, progressives, and queers.
- You can take everything we have here on earth, but we still have God.
- He is far greater than all. "For the Lord shall be thy confidence, and shall keep thy foot from being taken."

Let's pray.
