

TOPICAL SERMON: WHY DO YOU NOT WANT TO HEAR THE NEGATIVES IN THE BIBLE?

[2] The title of the sermon: "WHY DO YOU NOT WANT TO HEAR THE NEGATIVES IN THE BIBLE?"

- God Almighty wrote the words within the Bible. God is the all powerful and all mighty.
- I've been told many times, during soul winning, that someone doesn't like the negatives in the Bible.
- In other words, they don't like the word of God. They don't like what He wrote. He is the author.
- On a review of God and His writing, they would give him a 1 out of 5 rating on Google reviews.
- "He's just a negative person. He's always focusing in on the negatives. He even threatened me."

This is what people are saying about God, and I don't even think they realize it.

- Some of them will tell me that they believe in and on Jesus Christ.
- But then they go on to tell me that they don't want to hear the negatives in church.
- "Do you preach the negatives of the Bible?" And I answer, "YES I DO."
- And they proceed to tell me that's why they stopped going to church.

So, obviously, they won't be in a church that preaches the negatives in the Bible.

- Okay, so you don't like the negative words in the Bible that God put there.
- Understand what you're saying. You are saying that you don't like God and His words.
- But you believe in Jesus Christ? You only say you believe in Him because you think He's someone else.
- Jesus Christ is the word of God and He wrote all the words in this Bible. All the words are His.
- Do you not like His words? If you don't like His words, you don't like Him.

For example, many people won't come here because of the words that I speak.

- If you don't like my words, you don't like me. You reject me because of the words I speak.
- For example, someone rejects me, because of the words I speak.
- I simply tell you the truth from the Bible, teach the right things, and you reject me by never coming.
- And yes, when you are family and you won't even take a step into church here, this is called rejecting me.
- This is expected from people who do not love God and His words. I then reject you.

[3] *John 8:45 And because I tell you the truth, ye believe me not.*

[4] *Galatians 4:16 Am I therefore become your enemy, because I tell you the truth?*

- People don't want to hear the truth of God's words because they don't like them.
- His words are negative so they don't want to hear them at all.
- They would rather listen to people like Richard Simmons with his positive attitude.
- He can be as positive as he wants his entire life, and he will end up in hell which is a very negative place.
- People worship Richard Simmons over God Almighty. "I got a picture with Richard Simmons. Wow!"

But they would never come to a good church and hear the word of God. Jesus tells you the truth.

- But you don't want to hear these things. When you tell someone the truth, they hate you.
- They love to hear the lies, the flattery, the positivity of everything no matter if it's a lie.

- For example, Joe Biden can say that there is no inflation and the price of things haven't went up.
- But reality shows you the truth. Guess what else reality shows you? You will die.
- Why will you die? Because you sin against God Almighty every single day. You will pay the penalty.
- The first death is a physical death. Yes, it's very negative. Do you want to ignore it because it's negative?
- Go ahead. You'll still die. There's a second death too. This will end with your body and soul in hell.

Do you want to ignore that too? Do you just want to live you life in positivity? Go ahead.

- This won't stop the negatives that are coming to you. You haven't done everything right.
- You've hurt people. You've hurt yourself. Keep ignoring everything as if you've only been positive.
- The only reason God is negative in the Bible is because of people like you and I. We do negative things.

And then we get God's negativity. Do you not understand this? He is negative because of you.

- And then you don't like it. You don't like when God tells you that you're wrong.
- That's why no one wants to come to a good church who preaches the whole Bible.
- You don't want to hear about the bad that you do because you don't want to fix it.

You want to keep on doing what you want to do, and you don't want God in your business.

- "Get out of my life you negative God!!! Don't tell me what to do, O negative God."
- "I'll do what I want. You stay out of it." Yeah, keep on with this thinking of yours.
- You are so great and so positive all the time, but you don't care to be negative with God.

Hey, something is really, really wrong with you because you reject God and His words.

- You only want to hear the positive and good things about yourself. You want to hear how good you are.
- The Bible tells you that you aren't good.
- But you want to act like you read the Bible to show yourself that you're good.
- Have you even read through the Bible once, though? But you act as if you're a Christian?
- And you haven't read the Bible through once? But you want to go to heaven so bad?
- And you can't even take the time to read what God wrote because it's just too negative for you?

Hey, what's more negative? Me speaking to you that you will go to hell if you don't believe IN Jesus Christ.

- Or, actually going to hell and being in torment for eternity? Which one?
- See? You don't want to hear about going to hell but you don't realize that won't stop it from happening.
- If you don't like God's words, you reject God. You believe in some other god that you made up.
- "Oh, my god, would never send someone as great as me to hell. I mean, look at me and my greatness."
- "If my god cast me into hell, all of creation would be missing out on my greatness."
- "No chance that will happen." Yeah, well, we'll see if your fairy tale plays out the way you thought.

Let's hear some of the negatives in the Bible that God hating people don't want to hear.

- I've got a list of the "most abominable Bible verses." People hate the Holy Scriptures.
- They say, "And you call your God holy and perfect when He does all of these things?"
- Let's take a look at one of the worst that people say stopped them from believing in God.

Let me be clear. If you don't believe in the God of the Bible and trust in Him, you will burn in hell.

- And do you think He's going to accept your excuse that He was just too negative and mean? No.
- Guess what? He's not negative and mean. He tells us what to do to be saved. Don't do it. Go to hell.
- He gives us His commandments to keep us safe. He tells us the truth so we can live and not die.

- And this is the God of all creation who is in charge. And you don't want to hear it.
- The Bible is a very negative book, and all of those negatives are there for us to learn from.
- Here's an abominable or greatly hated Scripture by the God haters of this world:

[5] 1 Samuel 6:19 And he smote the men of Beth-shemesh, because they had looked into the ark of the LORD, even he smote of the people fifty thousand and threescore and ten men: and the people lamented, because the LORD had smitten many of the people with a great slaughter.

- These negative Scriptures show you how serious God is about the commandments that He gives us.
- If we don't we what He says, we sin against the Lord God Almighty. This includes Jesus Christ.
- These people knew not to look into the ark of the Lord. They knew His commandments.
- And the Lord smote 50,070 men that day. God slaughtered them because they broke His law.
- God doesn't care if you are of the Philistines or of Israel. Break His law and get the penalty.
- He doesn't respect persons. Anyone who breaks His law will get the penalty. He is God.

[6] Numbers 4:20 But they shall not go in to see when the holy things are covered, lest they die.

- The penalty for looking into the ark of the Lord was death. Look upon the holy things and you will die.
- For example, you can't look upon God the Father and live. YOU WILL DIE. His glory will kill you.
- You should take these Scriptures and begin to learn and know God versus rejecting Him.
- You reject Him because you think He does wrong, and you do right. You think you are holier than Him.
- You think you are better than God. "Well, I would never do something like that."

What would you do? You would let everything go, right? Someone breaks your law and they go free.

- You would have no laws so everyone can do whatever they want.
- You would allow the sodomites to continue what they do. You would allow child molesters to continue.
- You would allow thieves to continue. You would allow liars to continue to lie to everyone.
- "Oh, a lie isn't a big deal." According to God Almighty, it is a big deal.
- But you set your own rules on what is right and wrong because you think you are better than God.
- You've been here on earth a few years, and you think you know everything.

What you should is actually study the ark of the Lord and find out why these people died for looking into it.

- But no, that would be too much work for you. Reading the Bible would just be too difficult.
- Actually studying important things is just boring according to playing on your phone all day on Snapchat.
- Or Tik Tok. Or watching worthless You Tube videos all day.
- But you'll feel good about yourself for dressing yourself up on Halloween to look like some demon.
- "Oh, I am so great. Look at my Halloween costume. I spent \$500 on it and 3 days to get ready."
- "Look at me. I am so much better than the Holy God of all creation. I am so positive all the time."

These people call the judgements of God gross and horrible while they do all the evil in this world.

- The negative parts of the Bible are the ones you can learn the most from.
- You can see throughout the Bible how God only gets negative when people are doing evil.
- And this will happen in your life too. People would follow God and God was on their side.

They would forsake God, and He was against them. They would ask for His help again.

- He would forgive them and help them again. They would forsake Him again. Same cycle over and over.

- We all do this, but there are many who are NEVER following God.
- And these are the ones who talk trash about God. This shows you they have no fear of God.
- They are most likely already rejected by God.

Then you have these others who act as if they follow God. They go to a false church.

- God is never first in their list of priorities. They hate the people who follow God.
- They hate the people who teach His truths to others.
- They won't support a good preacher by even coming to church ONCE.
- Allow me to be clear. Coming to a good church is supporting the truth.

Going to a false church that teaches baptism in water saves you is not supporting the truth.

- You have a false god. You don't understand the Bible at all. NOT EVEN AN OUNCE OR DRIP.
- You don't understand what it means to believe in Jesus Christ.
- You don't understand trust and faith in Him alone. You think the Bible teaches salvation by works.

You've missed the entire point of the Bible. And you will go to hell unless you change your mind.

- "But I went to church for 70 years and supported you, God. How can I be in hell?"
- "I was a good person. I did all these things you asked me to do like being baptized in water."
- This just shows that you deserve to be in hell. You wouldn't read simple words and believe them.

Jesus says over and over again, "BELIEVE IN ME AND YOU WILL NEVER DIE."

- There's just that one requirement to be saved. But you didn't listen to the one who can save.
- You listened to false churches, and you supported their cause to preach lies to people.
- This isn't a good thing that you've done.

But you bring your offering of yourself and good works to God to get to heaven.

- This offering of yourself and your works isn't good. YOU ARE THE NEGATIVE ONE.
- You are the one who won't listen to God. You were negative first. But you blame it all on God.
- He 's proved Himself to you. He does what He says He will do. You break His laws. You die.
- You can't work yourself out of it. You can't be good enough. He tells you this over and over again.

[7] Ezekiel 18:20 The soul that sinneth, it shall die. The son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: the righteousness of the righteous shall be upon him, and the wickedness of the wicked shall be upon him.

- Is that first part of the verse difficult to understand. Break God's law, and you die.
- Does that match reality? REALITY IS NEGATIVE because we made it negative.
- When we do evil, this is negative. Evil is sin. When we break God's law, this is sin. He says so.

He is the boss. You are not. I am not. When you believe in yourself, you are sinning against God.

- When you think you are so great, you are lifted up with pride. When you are proud, this is not good.
- God clearly says that pride goes before destruction. God tells us what is good and what is bad.
- You think you're God so you decide what is good and what is bad. You would be wrong. God is not.
- Do right, and get good things from God. Do wicked things, and get evil from God.
- THANK GOD that He is like this. He is a righteous God who does all things perfectly.

You don't get by with things because you think you're more important than everyone else.

- God tells you the important things to focus on in your life. But you make it everything else.
- And then you don't get everything you want and blame everything on God. He didn't do it. You did.
- It's easy to blame God for everything, but it won't be easy when you get paid back for the evil you did.

Blaming God for everything is evil. And you will pay for that. Very negative, huh?

- Getting paid for what you've done and deserve is not negative unless you've done evil.
- Do right, and you won't get paid with evil. If you won't do what God says, you'll get evil.
- And the end is hell. And yes, God says that you deserve it.
- You say that you don't. Your words don't matter because He's the boss. You are a liar. He's not.
- The Bible says all men are liars. We have all lied. I am a liar. You are a liar. God, again, IS NOT A LIAR.
- The Bible tells us that God cannot lie. Jesus has never once told a lie.

[8] Deuteronomy 25:11-12 *When men strive together one with another, and the wife of the one draweth near for to deliver her husband out of the hand of him that smiteth him, and putteth forth her hand, and taketh him by the secrets: 12 Then thou shalt cut off her hand, thine eye shall not pity her.*

- This is another so-called "abominable" Bible verse. Guess what, though?
- God is serious about wives staying out of the physical striving between two men.
- Get your nose out of it, women.
- If you touch the secret parts of the other man, even on accident, your hand would have been cut off.

If that law was in effect today, women would be more likely to stay out of it.

- And if they didn't, the law would be enforced. And their hand would be cut off.
- God is serious about these things. And you say, "Well, I don't see how this is bad."
- "The wife was just trying to help her husband." Again, you aren't God. He says to not do it.
- He says to not lie, steal, cheat, covet, and strive to be rich. This country produces the opposite.

Kids wanted to be doctors in the past so they could help people. Now, you can see what's actually important.

- Now, parents and the children want to be doctors so they can get rich. And you see that in reality.
- Most doctors, not all, could care less about the patient. They just want the money. It's obvious.
- Abortionists just want the money. This is not healthcare. This is murder. This is the love of money.
- This isn't the love of health for the other person. Nothing about an abortion improves health of anyone.
- I don't care what anyone says. MURDER DOES NOT EQUAL GOOD IN ANY WAY.

[9] 1 Peter 2:18 *Servants, be subject to your masters with all fear; not only to the good and gentle, but also to the froward.*

- The God hating people say that this verse condones or is God approving of human trafficking, slavery, and perverseness.
- No, it doesn't. We all have masters in this life. You can call them whatever you want.
- I am a servant to my manager in the job that I have. "Well, we shouldn't use the word servant."
- "We shouldn't use the word master." These people get so offended at words they don't agree with.

"You can't use that word in church. You can't say that word in here. You can't do this or that."

- They truly believe that they are the God of this world. "Be subject to your masters with all fear."

- Do what they say UNLESS they are going against God's words. He explains that too.
- Christians who should be in a good church teach their children that certain words are bad that God uses.
- In other words, they teach their children that God uses bad words. They define what is right and wrong.
- And then they act as if they are good Christians because their goodness is above God's goodness.

Now, who is the negative one here? Is it I? Is it God? Who is breaking His rules FIRST?

- The people who act as if God is bad are the ones who are negative. They hate His words.
- The Scriptures I have used with God's rules are holy and perfect. And you hate them.
- People killed the preacher's of God's words in the Bible. Stephen didn't say anything bad.
- They hated him for it and killed him for it. Jesus didn't say anything wrong. They killed Him.

[10] Malachi 2:1-3 *And now, O ye priests, this commandment is for you. 2 If ye will not hear, and if ye will not lay it to heart, to give glory unto my name, saith the LORD of hosts, I will even send a curse upon you, and I will curse your blessings: yea, I have cursed them already, because ye do not lay it to heart. 3 Behold, I will corrupt your seed, and spread dung upon your faces, even the dung of your solemn feasts; and one shall take you away with it.*

- Very negative. Why? God didn't start it. They did. They lie about God, who He is, and His words.
- God says, "I will wipe dung upon your faces." Would you rather have that or spend eternity in hell?
- Would you rather take this warning all you pastors out there or would you rather go to hell?
- Being in hell is much worse than the words that I repeat from this Bible.

[11] Exodus 21:7-8 *And if a man sell his daughter to be a maidservant, she shall not go out as the menservants do. 8 If she please not her master, who hath betrothed her to himself, then shall he let her be redeemed: to sell her unto a strange nation he shall have no power, seeing he hath dealt deceitfully with her.*

- The God haters will say that this verse condones sex slavery. Is that what this is? No, it isn't.
- Your corrupted mind turned it into that. God doesn't condone of sex slavery you idiots and fools.
- You have no clue what you're talking about, clowns. Continue calling God evil, and you will pay.
- Do you hate all of the Scriptures from the mouth of God?
- They are just too negative for the sunshine crowd.
- The snowflakes don't want to hear the reality they created by hating God.

[12] 2 Kings 6:28-30 *And the king said unto her, What aileth thee? And she answered, This woman said unto me, Give thy son, that we may eat him to day, and we will eat my son to morrow. 29 So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son. 30 And it came to pass, when the king heard the words of the woman, that he rent his clothes; and he passed by upon the wall, and the people looked, and, behold, he had sackcloth within upon his flesh.*

- Has this happened? Yes, this is reality. "Well, my kids don't need to hear about this."
- "Their ears are sensitive because they have only heard good things from my oh so righteous lips."
- God didn't do this. People made their own choices to do this. People are nasty, evil, and wicked.
- "Well, I will just ignore all of these things because Richard Simmons taught me to be positive."
- The news isn't positive because the news is telling you what's happening in this world.
- Take a listen. Mothers are killing their children. Abortionists shake their head at them. They do the same.

[13] Deuteronomy 23:1 *He that is wounded in the stones, or hath his privy member cut off, shall not enter into the congregation of the LORD.*

- They don't like this one. They say that God says to stay out of church if your genitals have been damaged.
- God isn't into you damaging and cutting off your genitals. Is that so horrible?
- Is that all you have to prove God is such a horrible God? He isn't. He's right.

[14] Genesis 19:31-33 *And the firstborn said unto the younger, Our father is old, and there is not a man in the earth to come in unto us after the manner of all the earth: 32 Come, let us make our father drink wine, and we will lie with him, that we may preserve seed of our father. 33 And they made their father drink wine that night: and the firstborn went in, and lay with her father; and he perceived not when she lay down, nor when she arose.*

- They attempt to say that God thinks this is okay since it's in the Bible.
- Do you see how they know nothing of the Bible and make all of their wicked judgements about God?
- They say that God is okay with incest and getting drunken. Is this so?
- How can you pull out words from the Bible without knowing the rest of it? This is what evil people do.
- They don't want to hear the negative parts of the Bible.
- They base their judgment of God on what humans did. These are the people who say, "Don't judge."

But they don't mind judging their Creator who sits in the heavens.

- He is perfect, and they judge Him unrighteously.
- Why don't you want to hear the negatives in the Bible? You judged God negatively.
- I thought you were only positive. You don't like His words. He tells you the truth.
- You would rather hear lies. Am I not right on this? Why would you rather hear lies?

[15] Matthew 5:28 *But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.*

- They hate this Scripture. This is right. This is reality. Men will look at other women with lust.
- It's not the same as physically committing adultery with her. It's much worse to actually do the act.
- Jesus is saying this isn't good either so stop looking at other women with lust.
- Is this negative or horrible or a bad thing that Jesus asked us to do? Are you serious?
- What good comes from a married man looking at another woman with lust and wanting her sexually?
- NOTHING good comes from that. Is Jesus wrong to command us not to do this? No, He's not wrong.

But people don't like to be commanded to do things. They are taught their entire life to follow their hearts.

- Do what you think is right? A woman came in here once with her older daughter and boyfriend.
- She told us after the service that she teaches her children to do what they think is right.
- Hey, listen, you are wrong. Don't do what you think is right. Do what God says is right.
- Don't do what God says is wrong. See? There's a positive and negative to everything.
- When you get negative about things by breaking God's rules for you, then He gets negative.

[16] Genesis 38:7 *And Er, Judah's firstborn, was wicked in the sight of the LORD; and the LORD slew him.*

- God hates who don't like negative things in the Bible HATE this verse.

- They mock at God and say, "If you offend God, He will kill you." Understand this is Jesus Christ too.
- If you are wicked in the sight of the Lord, you better watch out. And don't be surprised when it happens.

[17] 2 Chronicles 21:12-13 *And there came a writing to him from Elijah the prophet, saying, Thus saith the LORD God of David thy father, Because thou hast not walked in the ways of Jehoshaphat thy father, nor in the ways of Asa king of Judah, 13 But hast walked in the way of the kings of Israel, and hast made Judah and the inhabitants of Jerusalem to go a whoring, like to the whoredoms of the house of Ahab, and also hast slain thy brethren of thy father's house, which were better than thyself:*

[18] 2 Chronicles 21:14-15 *Behold, with a great plague will the LORD smite thy people, and thy children, and thy wives, and all thy goods: 15 And thou shalt have great sickness by disease of thy bowels, until thy bowels fall out by reason of the sickness day by day.*

- They use this Scripture to say that God smites women, children, and animals with equal enthusiasm.
- They act as if God enjoys doing these things. They act as if He loves this. God haters.
- They know nothing about Him.
- They don't care that He sent His Son, Jesus, who is also God, to die for them. They hate Him.

Let me be clear to all the so-called Christians out there. I don't care what you call yourself.

- You can call yourself a Christian all you want, but do you love all of God's words?
- Or, do you hate the negative parts because you don't understand them?
- Who did the wrong in these Scriptures right there? Don't just pick and choose one verse.
- And then ignore the others. Maybe you should look closer.

This man caused all the people to go a whoring after other false gods. Pastors in churches do that today.

- If this sermon is foreign to you, and you think I am the evil one, maybe you need to re-evaluate things.
- I am preaching what God says in His words. I love all of what God says and does.
- This means I accept everything He tells me, and I reject or hate everything opposite of what He says.
- This man slew his brethren in his father's house. God repays this man.
- And yes, women and children do end up dead because of decisions other people make.
- This means you better be careful and not do evil no matter what.

[19] Revelation 21:8 *But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.*

- Yes, this says that all liars shall have their part in hell. Negative? Yes. One lie will send you to hell.
- We've all lied. Does everyone end up in hell? No. You need to learn what God says.
- You can be forgiven for every lie and every sin you have ever done or ever will do.
- But the people who hate God will question Him. "You mean eternal damnation for lying?"
- "That's not fair." Do you really think someone has only told a lie in their life?

They say, "Politics is lying. People lie all the time." Yes, they do. And God hates lying. Understood?

- Is it bad for a holy God to hate evil? What else do you want? Do you want Him to approve of pedophiles?
- Do you want Him to approve of murderers, kidnappers, serial killers, thieves?
- You're okay with a thief until that thief comes for your stuff or for you.

Do we base what's right and wrong on what people do? No, this is wrong.

- "Well, everyone fornicates and live together without being married now. That means it's okay."
- That is not what God says. God says it's evil and wicked and you will pay for that.
- And people don't like that. They don't want to hear it because it's negative.
- They hate me for repeating what God says. They reject me because I repeat what God says.

THANK YOU. Continue to reject me. That's great. I will stand with Jesus Christ. I love when you reject me.

- You attempt to play the middle, or you stay on the other side so the world loves you.
- There will be no middle, and there will be no one left on the other side.
- Only people who trust in God will be left. There will be more in the middle and on the other side.
- Which side do you want to be on? Will you judge God's words as wrong and bad?
- If so, you're on the other side. Or, will you trust what He says is right?

Most of the Bible is negative. And this wasn't caused by God. You caused it. I caused it. Every person caused it.

- We had choices to make. God gave us this right. He didn't make us choose wrong. We chose wrong.
- This is reality. We make our own choices. You can choose to believe God or not to believe Him.

[20] Deuteronomy 28:1-2 And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth: 2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God.

- People love to hear that. This is very positive. But keep reading in the same chapter.
- Will you ignore all of the negative parts? WHY IS THAT? Because it's talking to you. That's why.

[21] Deuteronomy 28:15-16 But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee: 16 Cursed shalt thou be in the city, and cursed shalt thou be in the field.

[22] Deuteronomy 28:20 The LORD shall send upon thee cursing, vexation, and rebuke, in all that thou settest thine hand unto for to do, until thou be destroyed, and until thou perish quickly; because of the wickedness of thy doings, whereby thou hast forsaken me.

[23] Deuteronomy 28:21-22 The LORD shall make the pestilence cleave unto thee, until he have consumed thee from off the land, whither thou goest to possess it. 22 The LORD shall smite thee with a consumption, and with a fever, and with an inflammation, and with an extreme burning, and with the sword, and with blasting, and with mildew; and they shall pursue thee until thou perish.

- You can read the chapter. Very positive at the beginning. Very negative at the end.
- At the end of the chapter, God says that you will be sold to your enemies as bondmen and women.
- "And no man shall buy you." No one will want you. You can't even be sold for money.
- Why? Because you forsook God. Maybe you should learn from these negatives.
- But you don't want to because you know they are talking directly to you. And yet, you still don't care.
- As I end here, STOP acting like you are so positive and perfect and that God is so negative and evil.

You don't want to hear the negatives because you always want to feel good about the evil that you've done.

- The truth is that you've hurt people. I have hurt people. We all hurt others when we do wrong.
- Wrong is going against God's words. And I don't care what you think is right or wrong.
- What God says is right and wrong is right and wrong. Your opinion doesn't matter at all.
- See? You don't like that. But I tell you the truth. Why can't you humble yourself to God's words?
- I did. All the people here do. What's your problem? Are you greater than God?

You will find out, in the end, that you aren't. As you near death, you will find out that you're weak.

- God is never weak. You need Him. He doesn't need you. He gave you life.
- He shows you that He can't be as bad as you think. You're still alive.
- He still gives you water, food, sunlight, and oxygen. You can still see and hear.
- So He must not be as evil as you make Him out to be. He's giving you time to be saved.
- You need Him to be saved. No one else can get you to heaven. You can't do it. He can.

The truth is the negatives within the Bible will help you the most. That's what you don't want to hear.

- Start studying the negatives, and you might just learn something. Ask God to help you.
- Don't stand against God. That's just stupid. You won't win. You have no chance.
- He can look upon you and burst you into tiny pieces. You should fear Him instead of mocking Him.
- You should live by His words instead of making up words about Him.
- Love the negatives in the Bible. Learn everything you can from them.

Let's pray.
