

TOPICAL SERMON: THE FRUIT OF THE PUBLIC SCHOOL SYSTEM

[2] The title of the sermon: "THE FRUIT OF THE PUBLIC SCHOOL SYSTEM."

- Do you think God is pleased with the public school system and the fruit they produce?
- What type of fruit is the public school system producing? You can take a look for yourself.
- I went to public schools. I know what they're like. I know what they produce.
- And it's very difficult to overcome. It's getting worse by the moment too.

[3] *Matthew 7:15-17 Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. 16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? 17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.*

[4] *Matthew 7:18-20 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. 19 Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. 20 Wherefore by their fruits ye shall know them.*

- We can look at the fruit the public school system is producing.
- One of the main things you can take a look at are all the public school shootings.
- Children end up dead because of the public school system and their teachings.
- And you can blame it on guns all you want, but you're targeting the wrong thing.

We shall know the public school by the fruit it produces. You can take a look at the physical beauty of the schools.

- When we were in Ridgefield, Washington, we saw a very beautiful public school.
- You can see that money is no object for the public schools in this area or most areas in this country.
- They can spend the public's money very quickly. They get beautiful schools on the outside.
- They look absolutely amazing in their physical appearance. But what do they look like inwardly?

[5] *Matthew 23:25-26 Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess. 26 Thou blind Pharisee, cleanse first that which is within the cup and platter, that the outside of them may be clean also.*

[6] *Matthew 23:27-28 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness. 28 Even so ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity.*

- And yes, all of these Scriptures are talking about false prophets and this is closely related.
- Public schools have deleted the Almighty God from any of their teaching. They teach lies.
- And from lies, nothing good will come. They have gotten rid of pure religion from the school system.
- They have replaced it with the nasty and defiled religion of this world.
- They worship Satan in the school system. Children of the devil are running the public school system.

The tree looks really good. Public schools look good, sound good, and give people a place to send their children.

- People think this is good so they can work jobs, not have to care for children, and make more money.

- I've heard so many people complain about teaching their kids at home during Covid.
- They can't handle their own children. Why? Because they never take care of them.
- They never care for them. They could care less about them because they send them away each day.
- Why? So they can make more money doing an easier job than taking care of their own children.

[7] 1 Timothy 6:10 For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.

- The fruit of the public school system is 100% evil, without any doubt.
- And this ends up being your children. And then you get to deal with this and do your best to correct.
- Sometimes you might be able to get this corrected, but only through salvation in Jesus Christ.
- Most of the time this doesn't get corrected and children end up dead or being worthless or evil adults.

All because of the love of money. The public school system loves the money. You can see this in the beauty.

- The parents of the children love money. This is why they send their children to public schools.
- The Dad wants more money so he wants his wife to work. The wife wants a career so she goes to work.
- The result is they get a bigger and more beautiful house.
- They get nicer cars so people can see their success. It all looks good on the outside just like the schools.

But what's on the inside of those schools and the inside of those homes? What's actually happening?

- We need to get past the smokescreens, the mirages, and the illusions.
- We need to see past all of these lies and deceptions. We need to actually see the truth of things.
- Wake up to reality before it's too late. "WHICH WHILE SOME COVETED AFTER."

People put the public schools at the top of their priority list. People will move for a public school.

- "Oh, this public school system is so great. They have great teachers. Your kids will love this place."
- Do you know what actually happens? They pierce themselves through with many sorrows.
- Many of these parents think they do what is best for their children, but they aren't.
- They are being fooled and deceived. And it's a great deception. It's worked perfectly for many years.
- The things of this world that people love always look good on the outside.

But go take a look at your local public schools and see what comes out of there.

- At 2 to 3 PM, the fruit comes out of those schools. If you only knew what that fruit is doing.
- You would know that this is evil fruit. Examine the fruit. Do you know what's happening?
- Will you continue to ignore what's happening? Drugs, alcohol, fornication, laziness, slothfulness.
- Do you know what comes from the public schools? REBELLIOUS CHILDREN. That's the fruit.

[8] Deuteronomy 21:18-19 If a man have a stubborn and rebellious son, which will not obey the voice of his father, or the voice of his mother, and that, when they have chastened him, will not hearken unto them: 19 Then shall his father and his mother lay hold on him, and bring him out unto the elders of his city, and unto the gate of his place;

[9] Deuteronomy 21:20-21 And they shall say unto the elders of his city, This our son is stubborn and rebellious, he will not obey our voice; he is a glutton, and a drunkard. 21 And all the men of his city shall stone him with stones, that he die: so shalt thou put evil away from among you; and all Israel shall hear, and fear.

- The people in the public schools would take a look at this and tell you how unholy God happens to be.
- The people of this world, especially people in the public school system, believe themselves to be more righteous than God.
- The teachers believe they are these righteous public servants when they are not.
- They lift themselves up and lower God Almighty. They believe God is evil and they are good.

[10] Isaiah 5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

- Yes, they teach that they are good and God is not. The truth is they are evil and God is good.
- But they want to teach your children lies and deceptions. The root of their tree is evil.
- If you send your children to public school, nothing good will come from this. Why?

THE ROOT OF THE TREE IS EVIL. It is not rooted in God at all. NOT ONE BIT. They hate God.

- As the tree grows, the evil spreads more and more. And you can see this. See reality.
- What's actually happening in the public schools? Rebellious children are being produced.
- Do you really think good fruit can come from an evil tree? God tells us that it can't.

What we just read in Deuteronomy Chapter 21 is perfect, just, right, and holy. This is God's law.

- He knows what's best. A stubborn and rebellious son is no good at all. Things will only get worse.
- If our government followed God's law, this would put a big stop to rebellious children.
- A rebellious child will be a glutton and a drunkard. He will feed his flesh and live off of evil things.
- The leaders of the public school system are these people. And they produce after their kind.

They are Godless, and they look to produce Godless people. They are looking to reprobate your child.

- They want to get your child rejected by God just as they are rejected by God.
- They say that there is no God, and they want your child to follow after their stupidity and lies.
- God says to put that evil away from among you. Why? Because it won't result in anything good.
- They will teach your children that there is no God. Or, they will teach them about a false god.

They will teach them that God loves everyone no matter what. They say, "We're all children of God."

- They teach these same things in public schools and in churches. ALL EVIL.
- Why would they teach this? They want your children to think it's okay to do whatever they want.
- This is rebellion. "Follow your heart." They teach these things. "Do what you think is best for you."
- They teach you that God will be okay with whatever you choose. "You are a child of God no matter what."
- They are actually wanting to make you a child of the devil. Their god is Satan. And they don't even know.

They do this to keep your children from believing in God. Faith leads to obedience of God's words.

- If they can keep you from believing in God, they can keep you from doing the right things.
- This is brainwashing them with evil things.

[11] Jeremiah 17:9 The heart is deceitful above all things, and desperately wicked: who can know it?

- Children are fleshly unless they've been saved. But they will follow the flesh more often.
- Why? They are babes in Christ even if they are saved. Don't throw them to the wolves.
- They will follow their heart and that heart is deceitful above all things.

- The public school system will win the battle for some time and maybe for good.
- Your saved child could end up dead. Your unsaved child could end up dead and in hell.

A child puts their trust in the public school system teachers who lie to them.

- But they are with them all day long while the mother is out working. They don't trust their own parents.
- And why should they? The parents don't show love when they send their children to public schools.
- Sending your children to public schools is HATING your own children.
- This is not love. Love is following God's commandments, fulfilling His commandments.

[12] Titus 2:3-5 *The aged women likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of good things; 4 That they may teach the young women to be sober, to love their husbands, to love their children, 5 To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed.*

- We are to teach our children at home. Women are to be keepers at home.
- When you break that commandment, you do not have love. Think about this.
- You throw your children to the wolves every day. "GO ON OUT AND PLAY WITH THE WOLVES, SON."
- "GO ON OUT AND PLAY WITH THE WOLVES, DAUGHTER." And then you tell them, "I love you."

This means nothing to them because you throw the little children to the wolves who devour them.

- You can tell them you love them all you want, but you do not have love for them when you do this.
- And yes, it is your fault. You do have a choice. Do it God's way or throw them to the devil.
- It's time to get it corrected right now. We all make mistakes. It's time to fix it right now.

This is why I teach to SPRINT to the public school that your children are in and get them now.

- It's time. If you're hearing this, it's time. DO NOT DELAY ANY LONGER.
- The Bible even teaches us that women who don't stay at home caring for their own home ARE EVIL.

[13] Proverbs 7:10-12 *And, behold, there met him a woman with the attire of an harlot, and subtil of heart. 11 (She is loud and stubborn; her feet abide not in her house: 12 Now is she without, now in the streets, and lieth in wait at every corner.)*

- So, it's not only the public school system that is wicked and evil.
- It's the women who send their children there. If you are a woman listening to this, do something then.
- If you aren't evil, show somebody. Go get your children now.
- Bring forth therefore fruits meet for repentance.

[14] Matthew 3:7-8 *But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, O generation of vipers, who hath warned you to flee from the wrath to come? 8 Bring forth therefore fruits meet for repentance:*

- If you're a man of God or a woman of God with children in the public schools, do something about it.
- If you don't, don't try to tell me you're a man of God or a woman of God. I won't believe you.
- BRING FORTH THEREFORE FRUITS MEET FOR REPENTANCE. Show me you are serious about following God.
- Be a doer. You say that you have faith? I can't see it. SHOW ME YOU HAVE FAITH. Go get your children.

Husbands, bring your wives home from the work places. Bring your children home from the wolves.

- Do you love your wife or not? Do you love your children or not? Do you want them dead?
- Do you want them learning evil things? Do you REALLY want to go against the word of God?
- If so, you do not have love. Jesus says, "If you love me, keep my commandments."
- I am telling you the truth. I am preaching just like John the Baptist would preach.
- I am preaching just like Jesus Christ would preach. I learned this from the Bible.

You might not like my preaching. I might not look so great to you on the outside. You might think I'm mean.

- You might think I'm harsh. The public schools look good on the outside.
- The false preachers make you feel good. They look great on the outside. They are so nice and kind.
- THEY LIE TO YOUR FACE!!! I am not lying to you. What I'm telling you will save your children.
- What I'm telling you will save your husband. What I'm telling you will save your wife.
- If I need to scream and yell for that reason alone, I WILL DO IT. Wake up out there. It's time.

In the Book of Daniel, we see Babylon taught children in their public schools. Not many made it out of that either.

- Daniel, Shadrach, Meshach, and Abednego. They did not defile themselves. But everyone else did.
- The others fell down to worship the false god.
- So, you're taking a great chance when you send your children to the public schools. DON'T DO IT.

Let's do a little comparison here between God's way and the public school system way.

- And then you can tell me if I'm telling you the truth or not. This is a simple comparison.
- God's way is the children stay home with their mother and the mother teaches the children at home.
- And yes, the mother needs to be prepared and know how to teach her children.
- She needs to use good materials that teach her children well. We use Abeka at home with our children.
- I want to compare the way we do it with the public school system way.

Our children stay at home with us. Do they get discipline? Yes they do. Will they get a spanking if they do wrong?

- Yes they do. Do children get discipline at public schools? No they don't.
- Will they get a spanking if they do wrong? No they don't.

[15] Proverbs 13:24 He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.

- When you send your child to the public schools, you are sparing your rod. You are not correcting him.
- Do you know what this means? YOU HATE HIM. This is the truth. Which way is better?
- On the outside, spanking doesn't look so great, does it? People think it's horrible to do.

But they give you compliments on how well behaved your children happen to be. "They are so good."

- But, when they see the spanking, they will criticize you for it. It doesn't look good to them.
- But, the fruit that it brings is discipline and not rebellion. Godly discipline brings good fruit.
- People think that good preachers look bad, but they bring good fruit.
- People think the Bible is bad because the world believes opposite, but the Bible brings good fruit.

Children run the schools. The teachers don't. The parents don't. The leaders don't.

- The children do what they want to do.
- Send your children to the public schools and they teach them evolution.
- They say, "Your child acts the way he does because he comes from animals. He's an animal."

- "Let's put him on medicine." And then the parents wonder why their child is depressed.
- The children laugh at and make fun of each other constantly. That's all that happens in school.

At home school, this never happens. My children don't pick on each other. My children don't get put on medicine.

- My children are loved and cared for at home. They get what they need at home.
- This is God's design for them. Child suicide is on the rise. Do you know one of the reasons?
- The public school system. They teach them that they are animals. The earth was created by a big bang.
- Who in their right mind believes that 2 rocks bang together and all this springs out of it? Idiots. Fools.
- And this is where people are sending their children. This is where our tax money goes.

"I am Dr. SoandSo, and I was there billions of years ago when the rocks banged together and formed me."

- "In reality, I am actually a blabbering fool who knows nothing about nothing."
- Yes, I am mocking the public school system because they mock God. They created the strife.
- They are creating evil fruit. They are creating the school shootings and blaming it on the guns.
- Guns aren't alive and don't make any decisions at all. Isn't it amazing what gets the blame?

Humans in this world never get the blame any more. "It's not their fault. The system failed them."

- What system? You mean the public school systems ran by a bunch of fools? You're right.
- The fools who hate God are the ones who have caused all these issues. It's not the guns.
- Look at the fruit of this evil and wicked tree called the public school system.

"We're with the PTO. Can we get a discount on what you're selling? NO, YOU CAN'T."

- "We're selling things to support the local schools. Would you like to buy something? NO!!!"
- We don't support the public schools. The thieves of this country take enough already from my paycheck.
- And they take it from the paychecks of everyone. They take it at the gas pump.
- They take it from your property taxes. They give it all to this wicked tree called the public school system.

The public school system creates depressed children with anxiety. The children feed off each other.

- Suicide rises. School shootings happen. The children learn to hate because God is not there.
- The public schools teach children to take drugs for their so-called problems when they are the problem.
- Band aid after band aid. The root of the problem is not following God's words.
- Sickness spreads. Attention Deficit Disorder spreads. It's all the fault of the children and the guns. Right?
- No, it's not the fault of the children and the guns.

[16] Exodus 18:19-20 Hearken now unto my voice, I will give thee counsel, and God shall be with thee: Be thou for the people to God-ward, that thou mayest bring the causes unto God: 20 And thou shalt teach them ordinances and laws, and shalt shew them the way wherein they must walk, and the work that they must do.

- Do you know whose fault it is? It's the fault of the leaders of the homes to start with. THE HUSBANDS.
- When his child gets shot at school, that husband starts blaming everyone else and calling them cowards.
- No, the husband who should have listened to God is at fault. GET YOUR CHILDREN HOME RIGHT NOW.
- GET YOUR WIFE HOME RIGHT NOW. But this world, our government, and leaders push the other way.
- They want your wives and children out in this world so they can be devoured too.

The leaders should be pushing the people to GOD-WARD. Towards God. We should be teaching people God's laws.

- We should be teaching our wives that they are staying home to be a keeper at home.
- We should be teaching our children at home. My children don't get bullied and picked on at home.
- They don't get made fun of at home. We don't have school shootings at home.
- We don't teach our children they can be cats and place litter boxes there for them to use.

We don't teach them how to have sexual relationships at 8 years old. SICKOS IN THE SCHOOLS.

- We don't have drag queen QUEER story time and teach them it's awesome to be a faggot. IT'S NOT.
- We don't give them books to read with the FAG AGENDA. We don't teach them evil things.
- We whip them at home. They do whatever they want at school.
- The most evil children are the most popular. All the other children want to be like them.

Hey, I've been there. I know how it works in the public school system.

- Some of the so-called "friends" I had in high school are dead from drugs.
- Some of them are transgender now. I watched them start doing drugs and teachers do nothing.
- I know the teachers aren't that stupid. I know the parents aren't that stupid.
- ARE YOU STUPID OUT THERE? Do you not see your "popular" children doing drugs?
- Are you okay with that? As long as they're popular I guess you're okay with that. THEY END UP DEAD.

At home school, my children don't come to school drunk or high. THEY NEVER HAVE THAT CHANCE.

- I will never give them that chance. My children don't learn to fornicate before, during, or after school.
- THEY NEVER HAVE THAT CHANCE. My kids don't get told they have some disease such as ADD.
- I am the school doctor. My wife is the school nurse. I am the principal. My wife is the teacher.
- I RUN THE SCHOOL AT HOME. These things won't happen at my home school.

Do you know what else doesn't happen? EVIL MUSIC isn't going to happen there.

- Do you know how huge music is in destroying the lives of people? Hey, I've been there.
- A girl that attended public school commits suicide because she was depressed.
- Look at what was happening to her. See what music she listened to. DARK AND EVIL MUSIC. Guaranteed.
- She wasn't listening to psalms and hymns. The children would laugh her out of the school for being good.
- She was being picked on at public school. WHO ISN'T? There's not many that go through who aren't.
- You can't beat them all so you join them. This is what happens. Children encourage evil in schools.

The leaders do nothing. The teachers do nothing. They stand by and watch all the kids go down the wrong path.

- There are lesbian, gay, bisexual, transgender, and queers teaching the children their way of life.
- These God haters are teaching your children to be just like them. That's their agenda and goal.
- You know it's evil. But yet, you do nothing. You're brainwashed too.
- "Oh, there's nothing evil about the rainbow people." I ask you, "When will you wake up?"
- Teachers are having sexual relationships with the children. PEDOPHILES. Everywhere.

[17] Jude 7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

- I will tell you the 100% truth. GOD HATES THE LGBTQ MOVEMENT. It's so nasty and sickening.
- GOD HATES THE DRAG QUEEN STORY TIME. Do you understand this?
- God hates the nasty things people are teaching the children in the public school system.
- God does not support the public school system ONE BIT. That's the truth.

And you still send your children out there to be raped? This happens in the so-called Christian Private Schools too.

- I count the private schools the same as the public schools. SAME THING EXACTLY.
- Please allow me to warn of you of something. Don't ever leave your children with other people.
- And especially don't leave them alone with church people. Don't ever leave with the youth group leaders.
- Don't ever leave them an effeminate man driving a church school bus.

Don't send them to a Sunday School classroom.

- An elder in a church I was in asked the little children to take off a piece of clothing.
- This is the same elder that laughed at me for saying that I know I have everlasting life.
- I read him the Scriptures. He laughed at them. He is the same one that hugs all over everyone.
- The room was upstairs and he was the only adult in the classroom.
- He said, "Levi don't take your pants off because Cheyenne doesn't want to see that YET."

I was a fool and an idiot. I learned my lesson. I was wrong for sending my little girls to that church classroom.

- Don't make the mistake. NEVER AGAIN. Do you really trust all the people in a church?
- Do you really trust all the people in a public school system? All the children, teenagers, high schoolers?
- You can't. Don't. A school bus is one of the worst places for a child to be. Don't put them on a bus.
- The older children are mixed with all the little children. DON'T DO IT.

These little children can't overcome all of this evil. They will be eaten alive.

- None of this happens in a home school. We teach them the right ways. We teach them the Bible.
- We read the Bible with them at home. My children have read the Bible more than most pastors today.
- They know the word of God. We go over it constantly.
- We read it through cover to cover with them several times per year.
- They come to a good church and hear good preaching. We flood them with the word of God.

Now, does that mean some things can't sneak in? No, there can be holes somewhere. You must be careful.

- Phones can sneak in. Snapchat can sneak in. Evil little children can sneak into their life.
- Evil adults can sneak into their life. SO YOU, AS A PARENT, MUST BE DILIGENT. You must pay attention.
- As your children grow in age, you must be attentive. You must protect your children.
- Will they make mistakes? Yes, they will. But your job is to not allow evil to creep in unawares.

[18] Galatians 2:4 And that because of false brethren unawares brought in, who came in privily to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage:

[19] Jude 4 For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.

- These people aren't targeting me because I'm not a little child. They target the children.
- They can't overcome us so they overcome the weaker children who have no experience.
- Children have a soft heart and a soft neck. They believe other people. They trust other people.

So the wolves creep in. And they are everywhere in the public school system. Cursed children are everywhere.

- Just take a close look at the fruit of the public school system. TAKE A CLOSE LOOK.

- A man on You Tube goes around asking questions to the general public. They know nothing.
- "If you were born 10 years ago, how old would you be right now?" Some answered 5, 6.
- Some said, "That don't make no sense."
- "What does "Y-E-S" spell?" They answer, "I don't know" as they curse because it's such a hard question.
- "How many states are there in this country?" One answered, "13 colonies. 20 on the West Coast."
- "If you drive at 60 miles per hour and you drive for 1 hour, how far do you travel?" They answer one mile.
- Let me say that again. You drive 60 MILES PER HOUR and you drive 1 HOUR. How far did you go?

"Who fought in the civil war?" One lady says Donald Trump and the other says Joe Biden. And this is serious.

- This is the future of this country. Do you know where they went? TO A PUBLIC SCHOOL.
- This is where all the tax money goes. The fruit being produces are evil little children.
- They hate God. If they continue, God will reject them and they will burn in hell.

All because the parents wanted a bigger house and a nicer car. They wanted a Mercedes instead of a Chevrolet.

- I looked up the evil things that schools do. And here's what I found. Listen to this.
- This is what kids that go to school think is unfair about the public schools.
- Give homework. Give tests. Not allow fun devices. Only allow you to drink water. Not allowing animals.
- Hiring mean teachers. Make you do hard work. Make you carry heavy books. Give detention.
- Stress out kids. Ban music. Don't give freedom. So then they give the children what they want.

And the result, THE FRUIT, is seen in this country. The public school system produces evil and wicked fruit.

- Parents have a choice in this country. They act as if they don't. BUT THEY DO.
- You, as a parent of a public school child, can CUT THE ROOT OF THAT TREE today.
- Go get your children out of the public school system. Prepare home school. Yes, it takes work.
- God told you to get to work. Your children are important. Teach them the Gospel.
- Get them saved. Teach them good things. This is the only thing that will save your child.
- It's time to do this right now. Or your children will suffer the consequences.

Let's pray.
