

## TOPICAL SERMON: ADDICTS, DOPE HEADS, DRUGGIES, STONERS, AND JUNKIES

**[2]** The title of the sermon: "ADDICTS, DOPE HEADS, DRUGGIES, STONERS, AND JUNKIES."

- I'm going to give you a warning before I preach this sermon.
- If you're a water downed Christian, I would walk away right now and not listen to this.
- If you think everything should be positive, just go away right now. Death is not positive.
- I'm mad, and I have a right to be mad. I am actually beyond mad. I am beyond angry.
- Pissed is not a strong enough word to describe it. And if I'm like this, imagine God's anger.

I lost another cousin to a drug overdose this past week. My uncle, her Dad, taught her to do drugs.

- He's an addict, dope head, druggie, stoner, junkie, and a 100% Loser with a capital L.
- And now she's dead. And most likely she's burning in hell right now. I HOPE NOT.
- But most likely she didn't believe "IN" the Lord Jesus Christ. And it's not a joke. It's not funny.

Going to hell isn't a joke. BURNING IN TORMENT IS NOT A JOKE. False religion is not a joke.

- Marijuana is not a joke. Prescription drugs are not a joke. Pain pills are not a joke.
- Drugs aren't something to take lightly. Alcohol isn't something to take lightly.
- Anything that causes you to get high, drunken, or anything close is PURE EVIL.

**[3] Acts 26:24-25** *And as he thus spake for himself, Festus said with a loud voice, Paul, thou art beside thyself; much learning doth make thee mad. 25 But he said, I am not mad, most noble Festus; but speak forth the words of truth and soberness.*

- You might think today that I am mad or crazy after you hear what I preach today.
- But, do you know what? I am not crazy. I'm angry but not crazy.
- Do you know whose crazy, foolish, and idiot? Any of you fools out there who are doing drugs.
- "Well, it's just marijuana." I don't care, you fool. STOP DOING IT RIGHT NOW.
- Yes, there are worse things, but marijuana is no joke.

I speak forth the words of truth and soberness. I am grave and serious about this.

- The world keeps minimizing everything that's wicked and evil. "Well, that's not that bad."
- "It's just this or it's just that. You don't know what you're talking about."
- Hey, I do know what I'm talking about. DRUGS, ANY TYPE, WILL KILL YOU.
- Do you know why? Because they go directly against God's commands and they feed your flesh.

We know what addicts, dope heads, druggies, stoners, and junkies are like. They are all around us.

- In the construction industry, all the trades, there are grown men who whine and cry for their drugs.
- They can't stay sober. They can't be MEN who love God. They hate God. They love themselves.
- And they make me sick and want to vomit. My uncle makes me sick to the point of vomiting.
- And he's been here in this church. Played the game. Sat in here and slept. And then asks for money.
- All of you crackheads out there are all the same. EVERY ONE OF YOU.

Do you know how many people in my extended family are addicts, dope heads, druggies, stoners, and junkies?

- Bunch of losers. That's what they are. Look, if you aren't, then show me. Do something about it.
- Their minds are so jacked up that they think we're so dumb to not realize they are drug heads.
- They think that we're stupid when all they've done is fried their brains their entire life.

Some of them look like skeletons now. Pain pills turn you into skeletons.

- I've had family members with dung in their mouth because they can't stop pain pills and smoking.
- They were dying. ALMOST DEAD. And that doesn't change them. They go right back to the same things.
- Lung cancer and they still smoke. Selfish. Could care less about anyone else.
- They just need to get their fix. And then we have family members who help them get what they want.

To all the drug addicts out there, WE KNOW YOU ARE DRUG HEADS. You aren't fooling anyone.

- You are the dumb one. We are not dumb. I don't think anyone has told them this.
- You have the brain that's been fried by drugs.
- When I was in public school, we, as students, didn't think they teachers could see what we were doing.
- We would throw a pencil, the teacher wouldn't say anything so we thought they were blind.

All these families out there are filled with drug heads and crackheads and they never say anything.

- So the druggies think we can't see what they do. WE SEE THE RESULTS. Fools.
- It's time to speak up out there. Hey, you Christians out there, OPEN YOUR LAZY MOUTHS.
- OPEN THEM NOW. If you have a family member doing drugs, OPEN YOUR LAZY MOUTH.
- Ask them if they would like to die, go to hell, and burn in fire forever. ASK THEM.

Hey, all you potheads out there, yes, I'm talking to you. Do you want die, go to hell, and burn forever?

- Do you really want to take your friends with you to hell?
- Do you really want to teach your own children how to do evil and wicked things so they can join you in hell one day?
- I'M SICK OF IT. The leaders in this country minimize everything. All the states are legalizing marijuana.
- I don't care what they legalize. They want to give people what they want. And they love death.
- They want you to die. I don't want you to die and go to hell.

Notice that in that Scripture right there that truth goes with being sober.

- "Speak forth the words of truth and soberness." How will you be saved if you don't know the truth?
- How will you be saved if you walk around drunken and high all the time looking for someone to prey on?
- And yes, that's what you do. My uncle is a piece of trash because he just kept going with drugs.

He works harder trying to get someone to feel sorry for him and give him money for drugs than I do in honest work.

- He cries, whines, and tells you how hard he has it. Just get a job, loser. It's easier than what you do.
- My uncle lost a son to a motorcycle wreck many years ago. That sure didn't change him. He keeps on.
- You know what? If I was doing evil and lost my son, I sure would change something.
- If that doesn't do something to change you, nothing will. He was my cousin too.

And many people thought that was suicide. The woman who witnessed the motorcycle wreck said that he had to have done that on purpose.

- He asked us one time before he died: "How come you all got the good parents?" He was right.

- His Dad was trash back then and he just keeps on. And now a second child is dead.
- Will that change this man? No, it won't. He's heard the Gospel many times now.
- He says he believes. I was born during the day but not yesterday.
- He says whatever you want to hear so he can get money from you to buy more drugs.
- That same man has threatened to kill my grandfather and my Dad. Why? All because of the drugs.

Now, people are after him. Before my cousin died, my uncle said, "Someone is trying to burn our house down."

- Addicts, dope heads, druggies, stoners, and junkies always have someone after them.
- Is that who you want to be out there? Scared because you owe somebody money for the drugs?
- Always looking over your shoulder. One drug head told me one time:
- "I always send my German Shepherd into the house first because someone might be coming for me."

I HATE DRUGS. I HATE DRUG DEALERS. GOD IS COMING FOR ALL OF YOU. I WOULD STOP NOW.

- My cousin left her son without a Mom or a Dad. She left him to be with my uncle and his druggie wife.
- I would adopt that boy in a split second. I'll take him right now. I'll make sure he makes it to heaven.
- And that's what matters. But all those who surround him lead him to hell.

Do you know why? Because churches give drug heads and bums money all the time.

- They actually think they're helping them. BUMS DON'T WORK. My uncle is a bum.
- The government gives him money. He's helped kill two of his own children because he's a bum.
- He taught them how to be bums. WORK keeps you from being a bum. God said to get to work.

But my uncle just wants someone to keep giving him money so he can continue taking drugs and being high constantly.

- And the sad part is that he doesn't think we know. He thinks he's hiding it from everyone.
- That's how dumb these people are. This is how much they have fried their own brains.
- And yes, I am talking to any of you out there who are drug users or alcohol users. I'm sick of it.

***[4] 1 Peter 5:8-9 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: 9 Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.***

- I watched in high school as most of my so-called "friends" at the time went after drugs.
- What were the parents doing? Hey parents out there, ARE YOU WATCHING YOUR OWN CHILDREN?
- How do all these kids get hooked on drugs? I know. All the women are out working their careers.
- God commanded you to get your butt HOME and take care of YOUR OWN CHILDREN.

God made women to breastfeed their own children but nasty baby formula fixed all that, right???

- Now you can have a child and go dump that baby off anywhere and God knows what people are doing to those little babies.
- Hey, take care of your own children. Women have this nasty attitude, "I CAN DO WHAT I WANT."
- Yeah, you can, and your child can end up dead soon because you know nothing about them.
- You don't care about them. AND THEY KNOW THIS. And they kill themselves.

And you're happy when everyone feels sorry for YOU, you selfish piece of trash. That's what I think of you.

- AND I'M RIGHT. You want sympathy for yourself EVEN after your child is dead.

- And you might think I'm too harsh. HEY, CLOWNS OUT THERE. I'm not harsh enough.
- Do you know what's harsh? A FIERY HELL THAT WILL TORTURE YOU FOREVER. I'm trying to wake you up.
- There aren't enough preachers out there who would say these things to you. I WILL AS GOD IS WITH ME.
- And He's angry too. So, if I were you, I would watch out.

"Be sober, be vigilant." Watch. Pay attention to what's happening out there. Be careful. Which side are you on?

- Are you on the side of good or evil? If good, go dump whatever drugs you're taking RIGHT NOW.
- Do they cause you to be high? Do they cause you to not be SOBER? If so, go dump them right now.
- And, if not, then you break God's words and don't be surprised to wake up tomorrow dead and burning in hell.
- My job as a preacher of God's words is to WARN YOU. You might say, "You're being too tough."
- No, I'm not being tough enough.

The devil even walks around trying to destroy God's people who have faith in Jesus Christ.

- What do you think he's doing to these people on drugs who have no faith?
- He's destroying them, and I hate him. "As a Christian, you are supposed to love everyone."
- Dolly Parton, a wicked woman, sings: "Love everyone." Do you love Satan, Dolly Parton?
- Of course she does. She's a fool. She's a tool of Satan who has been lifted up.
- She calls herself a Christian. So do all the women pastors out there too.

I want to read you, supposedly, the top 15 most dangerous drugs in order.

- 1. Alcohol (beer, wine, liquor)
- 2. Fentanyl
- 3. Heroin
- 4. Hydrocodone (a prescription opioid medication)
- 5. Methadone
- 6. Morphine
- 7. Oxycodone
- 8. Cocaine
- 9. Methamphetamines
- 10. Xanax (treats insomnia)
- 11. Valium (treats anxiety)
- 12. Nicotine
- 13. K2/Spice (fake weed)
- 14. Ecstasy
- 15. Ketamine (anesthetic)

And, listen, if you think any of these that I listed are good, you are an absolute idiot.

- #1 on the list is alcohol. If you think alcohol is okay, you are an idiot. And I speak the truth.
- STOP BEING AN IDIOT. Do you drink alcohol in front of your children?
- Maybe they'll end up dead one day from drinking alcohol. You should stop right now.

***[5] Titus 2:1-3 But speak thou the things which become sound doctrine: 2 That the aged men be sober, grave, temperate, sound in faith, in charity, in patience. 3 The aged women likewise, that they be in behaviour as cometh holiness, not false accusers, not given to much wine, teachers of good things;***

- This is sound doctrine that will never change. The world can make everything legal.
- But God doesn't. And His words to you will not change.
- Hey, aged men out there, stop being drunkards and teaching your children to be so too.
- Grow up, MEN. Be grave instead of running your drunkard mouth. Be temperate.
- Men get drunk, talk trash, lose their temper, beat their wives and children.
- A real man wouldn't do that. Get rid of your alcohol out there. Go pour it out and never look at it again.

Old women out there, same goes to you. WINE DRINKERS. Go pour it out, losers.

- You think you're cool with your wine. You aren't. You are the only one who thinks you're cool.
- You actually look like a fool and act like one too. Why do you want to teach that to others?
- "Oh, look at me. Watch how I move the wine in the cup. Look at how I smell it. I am so awesome."
- No one cares except you and your evil followers.

Aged women, instead of being an alcoholic, maybe you try being in behavior as becometh holiness.

- NOT GIVEN TO MUCH WINE. Teach good things. Don't teach your children how to be drug users.
- "Oh, I have a headache. Go get me some muscle relaxers, daughter."
- "Oh, this is the worst headache anyone has ever had. This hurts so much. Go get me some opioids."
- "Oh, I can't do this or that because the pain is so bad. I can get up and do what I want."
- "But I can't get up and go to church because the pain is so bad. I have it worse than all people."
- People who drink wine are WHINERS, W-H-I-N-E-R-S.

***[6] Titus 2:4-6 That they may teach the young women to be sober, to love their husbands, to love their children, 5 To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed. 6 Young men likewise exhort to be sober minded.***

- Why not teach good things to your children so they can go to heaven and not die early from drug overdoses?
- YES, I HATE DRUGS WITH A PASSION. Teach others to love others by doing what God says.
- Love is not feeding addictions. Those addictions kill your children and your friends.
- Not staying sober will cause you to blaspheme the word of God. Is that what you want to do?
- If you do, you don't understand God and you have no fear of Him at all. You should be afraid.

We are to exhort the young men or encourage them to stay sober. We are to show them the right ways.

- We don't show them how to be evil and to do evil. This leads to their death. And they could die young.
- I don't want to see your children out there dying young. I want them to live.
- We need to be teaching them to do the good things according to God's words. This leads to life.
- NOT DEATH. Yes, it makes me very sad when I hear my cousin died from a drug overdose.

I didn't want her to die. She was much younger than me. But the drugs just took over.

- This is a warning to every child out there listening right now. DON'T EVER COME CLOSE TO DRUGS.
- Parents, get the drugs out of your house. Get the alcohol out of your house.
- My nephew, a teenager, who lives just a minute or so from here, almost died from alcohol.
- Why? Because there was alcohol in the house and he was trying to drink way too much.

"Oh, there's nothing dangerous about alcohol. It's just alcohol. I know what's happening in my house all the time."

- And then your child ends up dead. And then it's all God's fault according to you, right?

- God gets the blame from all the Godless people. Got to blame someone. Can't own up to it yourself.
- YOU DID IT. God didn't do it. Stop blaming God for everything that you did wrong.
- Why don't you be saved today by believing in Jesus Christ and actually pick up a Bible and read it?
- Why don't you get your lazy butt up off the couch or out of that chair and get to a good church?

You can get your lazy butt up off the couch to go buy your drugs, liquor, cigarettes, and lottery tickets.

- But you can't get your lazy butt up for anything that's actually GOOD FOR YOU. But God did it all, right?
- No, you did it. OWN UP TO IT. Get up. Start doing things the right way.

***[7] Titus 2:7-8 In all things shewing thyself a pattern of good works: in doctrine shewing uncorruptness, gravity, sincerity, 8 Sound speech, that cannot be condemned; that he that is of the contrary part may be ashamed, having no evil thing to say of you.***

- You see. People will want to condemn me for a sermon like this.
- A woman pastor contacted me the other day and told me I was stereotyping because I said homos are behind all the fashion trends.
- She strains at a gnat and swallows a camel. I told you the truth while she stands up in front of a congregation and shows how disobedient she is to God every time the church doors open.
- She runs the church of Satan, and I tell you the truth. God told her to shut up in church. But she can't.
- She doesn't like my words because they are too harsh for her.

And this is the same approach that leads to dead children and dead cousins.

- "Oh, it's okay. Kids will be kids. Let them make their own mistakes. Do whatever you want. God doesn't care." BLAH, BLAH, BLAH, CLOWNS, FOOLS!!!
- Keep on standing up in front of God and doing whatever you want. BOW OUT YOUR CHEST TO GOD.
- Act like you know better than Him. YOU DON'T. You know nothing, woman.

This is sound speech in a world that needs it right now. You cannot condemn this sermon when you are of God.

- What do you want me to do?
- Do you want me to go to the funeral of my cousin and tell my uncle how great of a person he is?
- That's what you liars out there would do. SCUM OF THE EARTH.
- Do you want to tell lies about my cousin? "Oh, she was a great friend who loved everyone."

Her baby was probably right there while she got high and overdosed. What a sick person.

- Her sister, my other cousin, has a Facebook profile that says, "I'M BI AND PROBABLY HIGH."
- This is what drugs and alcohol do to you. This is what my uncle did to them. And they don't hide it.
- And you think I'm being too harsh? You think I'm not kind enough. HEY, I ACTUALLY CARE AND LOVE.
- I want people to get away from this trash. I don't tell them it's okay. Your kindness is lies.

God doesn't act like you attempt to act. HE BROUGHT HIS WRATH AND VENGEANCE.

- And you act like you're better than Him out there. I'm sick of you fake Christians. SICK OF YOU.
- And if you think contrary to what I'm saying, I know you haven't read your Bible.
- I know you don't understand it. God is way tougher than I'm being right now. NOT EVEN CLOSE.
- Maybe you need to read verse 8 again because you probably missed it.

"Sound speech, that cannot be condemned; THAT HE THAT IS OF A CONTRARY PART MAY BE ASHAMED."

- Hey, fake Christians out there. You should be ashamed. You tell people things are okay and good.
- You tell people that being a lesbian is good. You say that being a faggot is good. IT'S NOT.
- YOU LYING SCUMBAGS. It's all related. The drug use and the LGBTQ are all related! They are cousins.
- Close cousins. The love of money is at the root of all of this evil. False religion is down at the root too.
- The hate of God Almighty is there too. You will be ashamed because you act like you love but you hate.
- You accuse me of hating, but I actually love.

Hey, listen up out there. I tell you the truth. Drugs and alcohol will kill you.

- Addicts, dope heads, druggies, stoners, and junkies are not what you want to be when you grow up.
- They are nasty. They are lazy. They hate God. They use His name to get drug money.
- They lie to your face over and over and over again. They are sloths, sluggards, and bums.

They would rather lie to your face than go get a job. You are deceived out there.

- Let me ask you a serious question: "ARE YOU AS DUMB AS A ROCK?"
- Do you really think giving homeless people more money is helping them? FOOLS. Take a look.
- The evidence is there. Really??? You aren't helping ANY of these drug heads. That's what they are.

When I was in Vancouver, Washington, we saw some homeless people.

- The first one stood in front of the van when we first got to the hotel, looked at me, and did a money sign with his hand.
- "Give me some money." Man, you picked the wrong man. GO GET A JOB.
- Do you know what that man could save in a year if he would stay homeless, get a job, and save all the money from that job?
- He could buy a nice home in a couple of years.
- But he won't because he would rather be a worthless bum who walks around all day asking for other people to give him money so he can get high.

These fools say, "God made marijuana so it's good to smoke it. He gave us every herb to smoke."

- Only an absolute and utter fool would believe something like that.
- Your brain has to be completely fried to believe something like that.
- Does that kind of deception work on you out there? Can you not think for yourselves at all?
- God made rocks. We don't eat them or smoke them and inhale the smoke.

Man made aerosol cans. What fool decided to start sniffing them? We have a family member that sniffed them.

- That fool rode in my car one time. His breath stunk so bad that I still remember it.
- I didn't know a man would want to get high so bad that he would sniff aerosol cans.
- These people would rather risk dying than to be sober as God commands us to be.
- Their life has been so hard that they just need to be high all the time OR SO THEY SAY.

***[8] Ephesians 5:14-16 Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. 15 See then that ye walk circumspectly, not as fools, but as wise, 16 Redeeming the time, because the days are evil.***

- Hey, awake out there fools. I was a fool. I didn't do drugs, though. And I never will.
- My wife dumped prescription pain pills down the toilet many years ago and family members were going crazy.

- "I don't believe you dumped them down the toilet."
- They would probably jump down through the dung and piss to get those pills if they could.
- Those pain pills are like God to them. THEY JUST LOVE THEM.

**[9] Ephesians 5:17-20** *Wherefore be ye not unwise, but understanding what the will of the Lord is. 18 And be not drunk with wine, wherein is excess; but be filled with the Spirit; 19 Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; 20 Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ;*

- Don't be drunken. Be the opposite. Drunken is of the flesh. Instead be filled with the Spirit.
- But here's the problem with that. A person can't be filled with the Spirit unless they are saved.
- They will never give thanks unto God and to Jesus Christ without being saved.
- In their eyes, God owes them. In truth, He owes them absolutely nothing. He gave them life.
- And they stomped it, pouted like a baby, hated God, and died from a drug overdose.

Before she died, she called my Dad and wanted money. He told her no. Do you know why he told her no?

- Because she's a drug addict. Now, if she weren't, and she was actually trying.
- I know my Dad well. He would have helped her. But was she trying to do right? No, she wasn't.
- She said some nasty things and hung up on him. She bad mouths a man who loves God and Jesus Christ.
- While she loves the evil and wicked things.

**[10] Isaiah 5:18-19** *Woe unto them that draw iniquity with cords of vanity, and sin as it were with a cart rope: 19 That say, Let him make speed, and hasten his work, that we may see it: and let the counsel of the Holy One of Israel draw nigh and come, that we may know it!*

- These dope heads draw iniquity with cords of vanity. ALWAYS PULLING EVIL TOWARDS THEM.
- They love the evil. There's a cart of evil in front of you. What do you do with it? I'm going to shove it away.
- Get away from me. Why would you want to bring evil into your home and around your children?
- When you do so, you hate yourself and your children. YOU DO NOT HAVE LOVE. NONE.

**[11] Isaiah 5:20** *Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!*

- WOE UNTO THEM. And she, my cousin, ended up dead from the evil drugs.
- She called evil good and good evil. She put darkness for light and light for darkness.
- She traded her life for drugs that killed her. And now her young child lives on without a mother.
- She put bitter for sweet and sweet for bitter. Listen up out there. You don't want your end to be like that.

**[12] Isaiah 5:21-23** *Woe unto them that are wise in their own eyes, and prudent in their own sight! 22 Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink: 23 Which justify the wicked for reward, and take away the righteousness of the righteous from him!*

- There are a lot of people out there who are MIGHTY to drink wine and do drugs.
- They justify the wicked for reward. They love to use their words to trick you and deceive you.
- That's what they live to do. They are wise in their own eyes but in reality they became fools.

**[13] Isaiah 5:24 Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, so their root shall be as rottenness, and their blossom shall go up as dust: because they have cast away the law of the LORD of hosts, and despised the word of the Holy One of Israel.**

- Their root, 100% for sure, is rottenness. They have cast away the law of the Lord.
- And God isn't joking. Jesus Christ isn't a pushover like the churches and this world might say.

Let me ask you a question. How are these people buying drugs? My uncle doesn't work.

- None of them that live in that house worked. My cousin who overdosed didn't work.
- My uncle's wife doesn't work. She constantly tried to slip and fall in stores and sue them. PURE TRASH.
- Always trying to take advantage of other people. HOW DID THEY BUY DRUGS? Do you know the answer?
- The government gave them money. Do you how many people use government money to buy drugs?
- Think about that one. Is our government drug dealers? If not, what's happening out there?

**[14] 2 Thessalonians 3:10 For even when we were with you, this we commanded you, that if any would not work, neither should he eat.**

If the Bible was followed, these people wouldn't be able to buy any drugs. They would die from starvation.

- If you would rather starve than work, you can just go ahead and die.
- "THAT IF ANY WOULD NOT WORK, NEITHER SHOULD HE EAT."
- People without jobs are buying drugs every day. How? They should have no money to buy drugs.

But the government "HELPS THEM" by giving them free money. And they end up dead.

- They go against the words of the Bible and horrible things happen. AND GOD DIDN'T DO IT.
- Drug heads out there. YOU DID IT. You made the decisions and the choices.
- And now you pay and your family pays.

Do you know what's really messed up? I want you to think about these things.

- I've seen this over and over in my life.
- The people who helped to kill my cousin now want to act like they want the best funeral for her possible.
- And, of course, they want everyone else to pay for it because they all have no money.
- Why? Because they spend government money on drugs. They didn't love my cousin when she was alive.

They helped her get drugs, take drugs, and overdose on those same drugs. IS THIS LOVE? No, it's not.

- But now they want to act like they loved Christa so much. Don't they? They all do this.
- But they didn't love her. Love is following God's commandments, which worketh no ill to thy neighbor.
- They sure didn't love her. She's dead now. That's not love. They make me sick.
- And do you know why I am preaching this? Because I know it's not just happening in my family.
- It's happening all over this country. People are dead and in hell because of drugs and deception.

Where does it all start? It all starts when people won't listen to God's words, believe them, and follow them.

- Drinking alcohol. Smoking marijuana. Men not working. Women not being keepers at home.
- No good churches around to preach the truth. Public schools. Private schools.
- Liberals and progressives galore. Lesbians, gays, bisexuals, transgenders, queers, fags, homos.
- Night clubs. Gay night clubs. Godless politicians. Drug dealers. Wicked parents.
- Lying scum bag preachers. Christians who don't read their Bibles and are deceived.

Do you know what people would find in this Bible right here if they would just attempt to seek God?

- There is not even an attempt. How many times have we pleaded with people here?
- My uncle has been here in this church. My addict aunt has been here while she shakes in her chair.
- She needs her drugs so badly. She introduced me to her husband.
- And then she introduced me to another husband a few days later. She didn't even remember that.
- She's going to die a horrible death and all alone. And yeah, she was my grandfather's little girl.
- And she won't listen. This is what drugs do to you. But this Bible tells you this.

***[15] Jeremiah 21:8 And unto this people thou shalt say, Thus saith the LORD; Behold, I set before you the way of life, and the way of death.***

- You can choose right now whoever you are out there right now listening to this. I'm talking to you.
- MAKE A CHOICE. You can go towards death. You can go that way. Or you can get you a King James Bible.
- You can believe in the Lord Jesus Christ and actually trust Him with all your heart, soul, and mind.
- You can choose life through Jesus Christ. And I'll see you one day in heaven. Or, you can choose hell.
- And you can go burn in hell with my dope head cousins for all of eternity. What's your choice?

"I set before you the way of life, and the way of death." DRUGS ARE THE WAY OF DEATH.

- And you say, "Well, I have a prescription for these Percocet and OxyContin."
- Yeah, and your doctor is a glorified dope dealer. He's going to rot in hell one day too.
- You might think this is too harsh. I was sanding some walls yesterday. And I was thinking about that.
- The Bible is harsh. Sandpaper is rough. But the wall is smooth and clean through this roughness.

Yes, I am preaching a harsh sermon BUT is anyone else out there around here? NO, THEY AREN'T.

- And that's why my cousin's dead today. ALL THE MEN ARE COWARDS. And I'm sick of it.
- When a man won't stand up and say, "I've had enough of this trash. Get that trash out of my house."
- Dead children is the result. Hey, get those drugs out of my house. Followed up with a rod across your butt.

A beating that you'll remember. Don't you ever look at alcohol or drugs ever again.

- And, if you do, I'll beat you double what I just did. THOU SHALT NOT DIE. I will deliver your soul from hell.
- If anything is worth a beating, it's a child that does alcohol or drugs. It's time for a beating.
- Why? Because I want you to live child. I don't want you to end up like my dead cousins.

My cousin Jeff died from alcohol. If someone would have beat him over that, maybe he'd be alive today.

- THOU SHALT DELIVER HIS SOUL FROM HELL.
- Maybe if someone would have beat the hell out of my uncle, all his children wouldn't be dying today.
- If you think I'm harsh, you haven't read the Bible at all. You can trust God or not.
- He tells us the right ways which lead to life. You go the other way, you will end up dead and in hell.

***[16] Jeremiah 22:5 But if ye will not hear these words, I swear by myself, saith the LORD, that this house shall become a desolation.***

- I see homes becoming a desolation, and it makes me sick. Jesus Christ is the answer.
- But those addicts, dope heads, druggies, stoners, and junkies mock God and think He's a joke.
- They will use the name of God to get what they want from you. They play on your emotions.

- Give them what they want, and they might just end up dead when you wake up tomorrow.
- You need to give them what they need and not what they want.

**[17] Jeremiah 22:10-12** *Weep ye not for the dead, neither bemoan him: but weep sore for him that goeth away: for he shall return no more, nor see his native country. 11 For thus saith the LORD touching Shallum the son of Josiah king of Judah, which reigned instead of Josiah his father, which went forth out of this place; He shall not return thither any more: 12 But he shall die in the place whither they have led him captive, and shall see this land no more.*

- These people dying from drugs will never see this land ever again.
- If they never believed on Jesus Christ, they are burning in hell.
- Everyone loves to pretend that every person who dies was a great person. THEY AREN'T.
- They will be forgotten and never remembered all because no one was HARSH with them.
- This world has deceived all of these so-called Christians so much. LOVE EVERYONE. Liars.

**[18] Jeremiah 22:13** *Woe unto him that buildeth his house by unrighteousness, and his chambers by wrong; that useth his neighbour's service without wages, and giveth him not for his work;*

- This is what happened to Christa. My uncle built his house by unrighteousness.
- By stealing, deceiving, lying, and cheating. He taught this to his children. WHAT A MAN.
- His picture should be in the dictionary for scum of the earth. I'm sick of it. He works for Satan.
- Now he's scared of everything. The wicked flee when no man pursueth.

**[19] Jeremiah 22:17** *But thine eyes and thine heart are not but for thy covetousness, and for to shed innocent blood, and for oppression, and for violence, to do it.*

- Violence is wrong doing. That's all these addicts do. Dope heads don't do anything good.
- I've got one last Scripture for all you dope heads and crackhead supporters out there.
- Listen to this. Why don't you grow up out there and start doing things right before you die and go to hell.

**[20] Jeremiah 22:18-19** *Therefore thus saith the LORD concerning Jehoiakim the son of Josiah king of Judah; They shall not lament for him, saying, Ah my brother! or, Ah sister! they shall not lament for him, saying, Ah lord! or, Ah his glory! 19 He shall be buried with the burial of an ass, drawn and cast forth beyond the gates of Jerusalem.*

- So, if you think I'm harsh, it's time to get your Bible out you so called "Christians" out there.
- We will not lament for you, crackhead. We tried. You rejected God. We tried again. You rejected God.
- You chose drugs over Jesus Christ, the one who died for you. You rejected Him one too many times.
- We will not say, "Ah my brother! Or, Ah, sister!" We will not lament for them.
- Do you understand out there, dope heads? We won't cry over you. And yes, this is sad.

"He shall be buried with the burial of an ASS. Drawn and cast forth beyond the gates of the city."

- God says, "Throw their dead body out there. It's not welcome here." Harsh, huh?
- It gets more harsh than that. Why do you think there's a hell? Do you think hell is a joke of a place?
- There is a hell and it's not a joke. If you don't want to go there, throw the alcohol and drugs out right now.
- Get your mind clear and never go back to them ever again. CLEAR YOUR MIND.

Get on your knees, crackheads, and ask Jesus Christ to save you right now as you put all 100% of your trust in Him.

- If you can't do it and won't do it, you will be cast into hell. Yes, God is harsh but He's sick of it.
- He hates evil. We are to hate evil. That includes the evil man or evil woman too.

And I want to mention something. If you're one of those people who think alcohol is okay to drink in moderation, you've been deceived.

- GOD SAYS TO NOT EVEN LOOK AT IT. He definitely doesn't want you drinking it.
- You have it in your home, Christian? Go get it out right now. Go pour it out in the trash where it belongs.
- IT'S TRASH. IT'S POISON. IT'S EVIL. Your child might grab that bottle one day and kill himself.
- Is that what you want? Don't teach your children the wrong things.

**[21] Proverbs 8:13 *The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.***

- I will not love everyone. I will not love evil. I will not love drug dealers. I HATE THEM WITH A PASSION.
- I will not love when my uncle lies to us just to get money for drugs. SCUM BAG.
- I will not help addicts get more drugs and make the drug dealers more powerful.

HATE THE EVIL AND LOVE THE GOOD. What happened to this country? It's nasty here.

- There's not many preachers who would ever stand up and preach something like this. WHY NOT?
- Where are you out there, coward preacher men? Joe Osteen look alike. MONEY LOVERS.
- Would you lose some offering? Evil dirt bags. Take that money to hell with you. It burns too.

**[22] Romans 12:9 *Let love be without dissimulation. Abhor that which is evil; cleave to that which is good.***

- Stop all the fake love out there. It's time for some tough love done the right way.
- Beating your child with the rod when they need it is love. Go against God's words. You'll lose.
- It's time to stop funding the drugs. It's time to take a stand. I'm going to fight and take a stand.
- I will stand and preach against the violence being done to our children in this wicked and nasty world.

And you can take a stand or not. You will answer to God one day. What are you going to do right now?

- If an addict, dope head, druggie, stoner, or junkie can be saved, please God, give them some more time.
- If not, God, please take them out now before they do more damage to the children across this country.
- God will hear our prayers. We love Him and want people to go to heaven and not to hell.

Let's pray.
